What are the rules for artifacts in D&D? An artifact cannot be destroyed by normal means. Each artifact can only be destroyed by its own unique method, the details of which are an obscure secret. Destroying an artifact is likely to require an entire special quest.

Can you equip an artifact at any time? Equipping can only be activated at sorcery speed. When an equipped creature leaves the battlefield, unlike Auras, the equipment remains on the battlefield.

Can you sacrifice an artifact? Whenever Reckless Detective attacks, you may sacrifice an artifact or discard a card. If you do, draw a card and Reckless Detective gets +2/+0 until end of turn. As an additional cost to cast this spell, sacrifice an artifact or creature. You gain life equal to the sacrificed permanent's mana value.

Can you equip planeswalkers? "Equip planeswalker" is a variant of the equip ability. "Equip planeswalker [cost]" means "[Cost]: Attach this permanent to target planeswalker you control as though that planeswalker were a creature. Activate only as a sorcery."

Do artifacts have summoning sickness? Yes, if the card type says "creature," it has Summoning Sickness. Artifact creatures, enchantment creatures, token creatures, etc. —all of them have Summoning Sickness. It does not Summoning Sickness does not impact artifacts, enchantments, lands, and any other card types that aren't also creatures.

Can you destroy equipped artifacts? If it's equipped, you may destroy all Equipment attached to that creature.

Can you regenerate a sacrificed artifact? Sacrificing or sacking is purposely or forcibly removing a permanent from play. This can be due to an effect on the card itself, the effect of another permanent already in play, coming into or leaving play or a spell such as an instant or sorcery. A sacrificed permanent cannot be regenerated.

Can you equip artifacts to another creature? Not a problem! Just pay the equip cost and transfer the equipment from one creature to the other. Similarly, if an equipped creature dies and you still control the equipment, you can pay its equip cost to attach it to another creature you control.

Can you exile artifacts? At the beginning of your upkeep, you may exile target artifact or enchantment. If you do, its controller gains control of Act of Authority.

Can you activate an artifact at any time? In MTG, you can usually activate artifact abilities at instant speed, meaning you can do it almost any time you'd be allowed to cast an instant spell - during your turn, your opponent's turn, in response to actions, etc. However, always check the specific artifact's text.
