**Are Humble Bundle books physical?** Unless expressly specified, these book bundles do not include physical copies for sale. If you are interested in checking out the latest book bundle (as available), simply click the "Bundles" tab at the top of the Humble Bundle home page, and then click "Books" to find any current book bundles.

**What company owns Humble Bundle?** Humble Games, the indie publisher operating under the Humble Bundle marque owned by Ziff Davis—and operated under its IGN Entertainment subsidiary—has reportedly laid off all 36 employees, just days after its most recent release, B?: Path of the Teal Lotus.

**Is Humble Bundle trustworthy?** Also you're often giving to charity through their bundles, and all the bundles are arranged with publishers, so nothing shady ever happens. I've been using Humble Bundle for 3+ years, and have only had to contact their support once, for an issue that was on my end. This is the only key provider that I trust 100%.

**Where is Humble Bundle located?** The Humble Bundle operation has since grown to include a dedicated storefront, the Humble Store, and a publishing arm, Humble Games, to support indie games. As a corporation, Humble Bundle is headquartered in San Francisco, California, with about 60 employees.

**Are eBooks or physical textbooks better?** Research suggests that comprehension is six to eight times better with physical books than e-readers (Altamura, L., Vargas, C., & Salmerón, L., 2023).

**Are physical books still selling?** Physical books are still the top moneymakers for publishers. Publishing market research shows the economic juggernaut of traditional books. While publishers are experimenting with different media formats — especially audiobooks — they are still investing the bulk of their marketing efforts into physical book sales.

**How does the Humble Bundle store work?** Humble Bundles are limited-time collections of games, books, software, and more. You can pay what you want and choose where your money goes. Many bundles come in tiers, and the more you contribute, the more you get. We've sold over 47,000,000 bundles and counting!
