**What is Adobe Spark and how does it work?** Adobe Spark's web app was designed to let people tell stories online. The app is not a website builder. Instead, you can use their platform to create visual stories to share with your audience in the form of videos, single web pages, and graphics. Spark is a useful marketing tool for bloggers and businesses alike.

**Is Adobe Spark still available?** Effective December 13, 2021, Adobe Spark is now Adobe Express and offers a completely new experience.

**How to use Adobe Spark page?**

**Can you record in Adobe Spark?**

**Is Adobe Spark easy to use?** I've been using Adobe Spark Video and Adobe Express for years. It is by far the best (and easiest-to-use) digital storytelling tool I've ever used with elementary students. It is so intuitive that I can give it to a 5 year old and they can make a video.

**Why is Adobe Spark gone?** As you've probably noticed, SPARK has undergone a big change and is now EXPRESS. (I still type spark.adobe.com to get there). With all of the new additions, there are even more places to start. So the landing page doesn't just drop you off in the middle of your projects.

**Is Adobe Spark really free?** Adobe Creative Cloud Express (Adobe Spark) is free for all, and forever, all you have to do is sign up for a new account (no credit card details required), and you're set to start designing right away.

**What replaced Adobe Spark page?** Adobe Spark has been replaced by Creative Cloud Express. Creative Cloud Express includes all the same great functionality and

content as Adobe Spark plus so much more.

**Why is Adobe so expensive?** Adobe products are often considered expensive for several reasons: 1. Industry-leading features and capabilities: Adobe products, such as Photoshop, Illustrator, InDesign, and Premiere Pro, are widely regarded as top-of-the-line tools for creative professionals.

**How do I type in Adobe Spark?** To add text, click Text in the Editor and then click the Add your text button. Click back on the canvas to input your desired text. Click on the text box for simple text edits, such as rotating.
