The Origins and History of Warfare**

What is the History of Warfare About?

The history of warfare encompasses the study of the evolution of conflict and military strategies throughout human history. It examines the social, political, and technological factors that have influenced the nature and conduct of warfare from ancient battles to modern conflicts.

What is the Origin of War According to John Keegan?

According to military historian John Keegan, war emerged as a result of the desire for domination. He argues that the first wars were initiated by hunter-gatherer societies seeking to protect their territories and resources.

Who Published the First World War by John Keegan?

The First World War by John Keegan was published by Alfred A. Knopf in 1998.

Who Created the First Military?

The first standing military is generally attributed to the Sumerian city-state of Lagash around 2900 BCE. This military force was established to defend the city and its surrounding territories.

What is All Warfare Based On?

All warfare, according to Carl von Clausewitz, is based on the concept of violence. Clausewitz argued that war is a continuation of politics by other means, and that its ultimate goal is to achieve a political objective through the use of force.

Who Created the War Theory?

The concept of war theory was first developed by Sun Tzu, a Chinese philosopher and military strategist, in his book *The Art of War*. Sun Tzu's writings laid the foundation for many subsequent military theories and practices.

Who Started the Concept of War?

The concept of war is believed to have emerged during the Neolithic period (10,000-4,000 BCE), when humans transitioned from hunting and gathering to agriculture and began to form permanent settlements.

Who Started the First War?

The first recorded war in human history occurred around 2700 BCE between the Sumerian city-states of Umma and Lagash.

Who Wrote the Cambridge History of Warfare?

The *Cambridge History of Warfare* was written by a team of historians led by Geoffrey Parker. It is considered one of the most comprehensive and authoritative works on the subject.

Who Wrote the History of World War 1?

The *History of World War 1* was written by Barbara Tuchman and published in 1962. It won the Pulitzer Prize for General Non-Fiction in 1963.

Who Wrote the Book History of World War 2?

The book *History of World War 2* was written by Hugh Trevor-Roper and published in 1995.
