Do Scattergories answers have to be one word? In the time allotted, each player must attempt to think of and write down, in the first column on the pad, a word or term that fits each of the 12 categories and starts with the rolled letter. Any number of words in the answer is allowed as long as the first word starts with the correct letter.

Does scattergories have new categories? Classification. This is the first and only "refill" Milton Bradly published for Scattergories. It consists of 18 cards with 144 new categories and 6 new answer pads.

How to play scattergories lists?

How to make scattergories fun? Make Scattergories the main event again at your next party by using new personalized or themed lists. For example, if playing with family members, make a category of cousins or family members' names. With friends from school, you can play games with categories such as teachers' names as well.

Can two people have the same answer in Scattergories? Players score zero points if another player has listed the same answer and one point for an answer no other player has given. You cannot have more than one answer on a line for each number.

Do you use first or last name in Scattergories? When answering with a proper name, you may use the first or last name, as long as the key letter is the first letter of your answer. For example, if the key letter is G and the category is PRESIDENTS, your answer could be George Bush or Garfield, James. Creative answers can be

acceptable.

What are some fun categories?

What is the alliteration rule in Scattergories? Extra points are awarded for alliterations. For example, if the letter is “M” and the category is “TV Show” the answer “Mickey Mouse” would be worth two points and “The Marvelous Mrs. Maisel” would be worth three points due to the answer having multiple M's in the title.

Can you reuse answers in Scattergories? Players cannot use the same answer twice in the same round, even if it would otherwise be acceptable. Last names can be used first, for example “Bush, George” as an answer for a US President beginning with “B.” Get creative. You can be flexible with you answers.

What is the double word rule in Scattergories? Each player gets a point for a response, UNLESS another player put the same answer, in which case neither player gets a point. You can also give double points for an alliterative answer with two words (i.e., “Peter Pan” if the letter was P and the category was book characters).

How to play Scattergories with seniors? Explain to participant(s) that we are going to play “Scattergories”. Tell participant(s) that the leader will write a category (see below) on the board/paper and together we will find something that matches each letter of the alphabet. Write category at the top of the white board or on top of paper.

Can you use descriptive words in Scattergories? Adjectives do not count! The teams receive points if you deem their word accurate and if no other team has the same word listed. If more than one team uses the word, they cancel each other out. The teams can earn bonus points for using the letter twice.

Is Scattergories good for your brain? Scattergories This can be an excellent game to boost expressive language skills among individuals with aphasia and other language disorders after brain injury.

Can you play Scattergories alone? Scattergories/Scattergories Junior is a fun trivia game that you can play solo or with friends and family. This game keeps the brain active and engaged, while increasing your fluency, flexibility and originality.

There are several full versions of the game that are available online or through apps.

How do you keep score in Scattergories? Scoring points In Scattergories, only unique answers score a point. The person leading the activity should read out the first category and each team, pair or individual player should read out their answer. If people have the same answer, they score zero points.

Does the word the count in Scattergories? The words “a,” “an,” and “the” don't count if they're the first word of your answer. If the category is “Movie,” then “The Dark Knight” would be an appropriate answer for the letter “D,” but not for the letter “T.” If the answer you think of is a person, their first name or last name can start with the selected letter.

What skills does Scattergories work on? It's the perfect game to build vocabulary, promote information recall, inspire creative "out-of-the-box" thinking, and hone descriptive communication skills. Scattergories is all about fast, creative thinking.

How do you play categories in Scattergories?

Does Scattergories require dice? Scattergories is a word game where you roll a giant dice with letters on each side. Then, you fill out a list with random categories like actors, colors or things you find in a zoo. Each answer needs to start with the designated letter. You get a point for each original answer.

What is the first and last letter word game? Word chain, also known as Grab on Behind, Last and First, and Alpha and Omega, is a word game in which players come up with words that begin with the letter or letters that the previous word ended with.

Should you refer to a character by their first or last name? In screenplays, the major characters should all be introduced by their full names (all in UPPER CASE the first time we see them). From then on, you should consistently refer to them by either their first name only, or their last name only, both in the action, and above their dialogue.

Does the word the count in Scattergories? Players attempt to create an answer that begins with the letter on the die for each of the categories on their list. Answers must begin with the letter on the Scattergories die. Articles (A/An/The) do not fulfill
