In the 3rd grade textbook titled "Macmillan 3 de Primaria," students embark on an exciting journey to learn about tigers, their habitats, and the threats they face. Through captivating stories, vibrant illustrations, and engaging activities, students explore the enigmatic world of these magnificent creatures.

4. What is the "SOS" search? The "SOS" search is a global effort to save tigers and protect their habitats. Organizations like the World Wildlife Fund (WWF) are working to raise awareness about tiger conservation, support anti-poaching measures, and reduce human-tiger conflict.

5. How can we help tigers? Students can contribute to tiger conservation by:

- Learning about tigers and sharing their knowledge with others
