**What order do the Charlaine Harris books go in?** The box contains: Dead Until Dark, Living Dead in Dallas, Club Dead, Dead to the World, Dead as a Doornail, Definitely Dead, All Together Dead, From Dead to Worse, Dead and Gone, A Touch of Dead.

**What series is similar to Sookie Stackhouse?** Scarlet I highly suggest Succubus Blues and Vampire Academy by Richelle Mead. The Succubus Blues series is very similar to the Sookie Stackhouse Series in regards to her interaction with men. Like Sookie, the main character in this series has trouble with romantic relationships because she is not an average human.

**Are there True Blood books?** The Southern Vampire Mysteries, also known as The True Blood Novels and The Sookie Stackhouse Novels, is a series of books written by bestselling author Charlaine Harris.

**What is After Dead about?** This book is an A-Z of the characters of the beloved Sookie Stackhouse/Southern Vampire series and what happened to them after the final book, Dead Ever After.

**What was the last book in the Sookie Stackhouse series?** Dead Ever After marked the end of the Sookie Stackhouse series—novels that garnered millions of fans and spawned the hit HBO television show True Blood. It also stoked a hunger that will never die...a hunger to know what happened next.

**Who does Sookie end up with in the books?** In the thirteenth book, "Dead Ever After," he and Sookie become an item. In the book companion, "After Dead: What Came Next in The World of Sookie Stackhouse," it is revealed that Sookie and Sam eventually got married and had four children: two boys (Neal and Jennings) and two girls (Adele and Jillian Tara).

**Is Tara not in the Sookie Stackhouse books?** She is first introduced in the second book, *Living Dead in Dallas*, and has appeared in every novel since in either a minor or reasonably prominent capacity. She is one of the few characters that series' protagonist Sookie Stackhouse considers a best friend.

**Who almost played Sookie Stackhouse?** Before she was an Oscar nominee, Jessica Chastain read for the role of Sookie Stackhouse. The part eventually went to Anna Paquin.

**Is there a spin-off series to True Blood?** A spin-off of *True Blood* that follows Jessica Hamby (Deborah Ann Woll) as she discovers what it's like to be a "Baby Vamp" in the small town of Bon Temps.

**Is there a continuation of True Blood?** *True Blood* is not returning on HBO. Despite a new series set in the Anna Paquin and Stephen Moyer series universe, the premium cabler has put a stake in those plans. Casey Bloys, CEO of HBO and HBO Max, revealed as much in a new interview with *Variety*.

**How close does True Blood follow the books?** The television show has remained consistent with those rules, but not explored them to the depth that the novels have. The TV show has done some backstory exploration (Eric's turning by his maker Godric, for example), enriching the characters, but overall the point here goes to the novels.

**What happened to Jason Stackhouse?** In *Dead to the World*, Jason disappears. This occurs shortly after he begins dating Crystal Norris from Hotshot, a community of werepanthers near Bon Temps. Finally, Sookie discovers that he was kidnapped by a jealous rival, who bit him repeatedly to turn him into a werepanther.

**What is the plot of the dead ever after?** *Dead Ever After* finds Sookie in the deep south where she's been in through out her adventures which is

arrested for murder. This is how we get all of the early players back to Bon Temps, they all join forces to try and prove Sookie's innocence and clear her name.

**What is the book afterlife about?** Another is Afterlife, Julia Alvarez's first novel for adults in over a decade. It couldn't be more timely, a moving portrait of a retired English professor and novelist dealing with her husband's sudden death and the plight of fellow Latinos in her Vermont town.

**What is after lives about?** Set mainly in the first half of the 20th century, the plot follows four protagonists living in an unnamed town on the Swahili coast of what is now Tanzania from the time of German colonial rule until a few years after independence.

**Who does Jason Stackhouse marry in the books?** In the twelfth book, "Deadlocked," Jason proposes to his girlfriend Michele Schubert and she accepts. The pair plan a wedding and Sookie is asked to be a bridesmaid. Michele is divorced and works for her ex-father-in-law. Michele and Jason had been dating since he separated from Crystal.

**Who did Sookie marry in real life?**

**Who turns Sookie into a vampire?** Warlow deeply loves Sookie and mentioned that whenever he sleeps, he'd dream of Sookie and spending the rest of his life with her. Another side of Warlow was revealed when Sookie hesitated to be turned into a vampire. Warlow lost all patience and began to forcefully turn her.

**What happens to Eric at the end of True Blood?** Eric Northman doesn't die in True Blood. At the end of season six of True Blood, the character of Eric Northman is thought to be dead by the audience. However, in season 7, the audience finds out that Eric Northman is alive, although he has contracted the Hep-V virus. In episode 8, Eric is cured of the Hep-V virus.

**Who does Eric Northman end up with?** In the 13th Sookie Stackhouse novel, Dead Ever After, Eric and Sookie's relationship has crashed and burned. Eric is set to officially marry Freyda, the Queen of Oklahoma, and he has been banned from ever seeing Sookie again.

**Who gets Sookie pregnant in the end?** At the end of True Blood, viewers were treated to a flashforward of a married—and pregnant—happy Sookie (Anna Paquin) at a Thanksgiving dinner. Her mystery man was never revealed, but he was played by stuntman Timothy Eulich.
