What did God promise Caleb? God guaranteed Caleb an inheritance in the land of promise because “he followed the LORD, the God of Israel, completely” (Joshua 14:14). Forty years later, an eighty-five-year-old Caleb still displayed an unshakeable faith.

What is the lesson of Caleb in the Bible? Joshua 15:13–19 tells how Caleb organized his family to fight the enemy and take the mountain, the walled city, and overcome the giants. Everything in life that is worth accomplishing has obstacles. But knowing God's will allows obstacles to become opportunities for Him to work through us.

Why is Caleb so important? While we are not certain of Caleb's ancestry, we do know that he was a man of great faith. Other than Joshua, Caleb was the only spy sent into Canaan by Moses who believed God's promise that Israel would conquer the promised land, and he was promised an inheritance on account of his great faith (Num. 13).

Can a woman be a pastor? Many believers, in fact most of the global church, answers that question by saying "yes." Yes, there is a discernible doctrine of ordination: the recognition of gifts and graces and calling to God ordained offices of the church. Depending upon the branch of the church there may be two offices or three offices.

What is the difference between an overseer and a pastor? We have pastor, or shepherd, we have elder, presbyter, and then we have episkopos, or overseer. Now, we believe that all of these terms are used more or less interchangeably—that there really is, at the end of the day, no real distinction between pastors, elders, and overseers, that they are all one and the same.

What is the five finger prayer? This method is called Praying with Your Five Fingers and uses the fingers of the hand as a memory aid to pray for our family and friends, our teachers and doctors, for government authorities, for those who are suffering, and lastly, for ourselves.
