What is black diamond by Zakes MDA about? In this novel by celebrated South African writer Zakes Mda, Kristin Uys, a tough magistrate who lives alone with her cat in the Roodepoort district of Johannesburg, goes on a one-woman crusade to wipe out prostitution in her town. Her reasons are personal, and her zeal is fierce.

Why is the black diamond so popular? Fancy black diamonds and Carbonados are both extremely rare. Only one in 10,000 natural diamonds are colored diamonds and only a portion of these colored diamonds are black. Because of their scarcity, natural black diamonds and Carbonados are the some of the most valuable and most costly.

Is black diamonds Based on a true story? They also say it vividly illustrates the lives and personalities of the rich and poor in Britain in the 19th century. Readers describe the history as fascinating, informative, and hard to put down. They mention that the book is a mystery, historical drama, and well researched documentary.
