**How do you get more points on Accelerated Reader?** AR points are worked out using the difficulty of the book (ATOS readability level) and the length of the book (number of words). Readers earn points depending on how well they do on the quiz. For example, a reader who takes a 5-question quiz on a book worth 1 point will earn 1 point for 5 correct answers (100%).

**What is the pass mark for Accelerated Reader?** The passing percentage for quizzes varies depending on the type of quiz. For Reading Practice Quizzes, Other Reading Quizzes, and Article Quizzes, the default passing scores are 60% to pass a 3-, 5-, or 10-question quiz and 70% to pass a 20-question quiz. (These requirements apply to Teacher-Made Quizzes as well.)

**What is a passing score on an AR test?** Students can also earn points when they take the quiz for each book. They have to get a score of at least 80 to pass. But if they score higher than 60 percent, they get a fraction of the total points they could earn from it.

**How to see AR quiz answers?** If your home page is Renaissance Next, select AR under My Apps on the left side of the page as shown in the second example below; then, select Preferences in the menu that opens. Select Show Quiz Answers under the Class Preferences on the Preferences page.
