What are some quotes from the book rules? choosing words is harder than I thought. Just because other people think something, that doesn't make it true. Maybe there's some truth in that, but it's unsatisfying, bitter-tasting truth. Why can't

What is the summary of the book rules? Catherine is twelve years old. It's summertime, her best friend is away, and Catherine has high hopes for a new friendship with the girl who has moved in next door.
