In addition, the company points out the other Alcon preservative systems are not affected.

The Upstairs Room: Q&A

What is "The Upstairs Room"?

"The Upstairs Room" is a historical fiction novel by Johanna Reiss published in 1972. Set in Nazi-occupied Netherlands during World War II, it tells the story of Corrie ten Boom, a Dutch Christian who sheltered Jews from the Nazis.

Who is Corrie ten Boom?

Corrie ten Boom (1892-1983) was a real-life watchmaker and devout Christian from the Netherlands. During the Nazi occupation, she and her family hid Jews and others persecuted by the Nazis in a secret room ("the hiding place") in their home in Haarlem.

What is the significance of the upstairs room?

The upstairs room, also known as "the hiding place," was a secret room created by Corrie's father, Casper ten Boom, in their home. It was used to hide Jews, students, and others who were being targeted by the Nazis. The room was accessible through a false wall and could accommodate up to six people.

What was the impact of "The Upstairs Room"?

"The Upstairs Room" has been widely praised for its portrayal of courage, faith, and resilience in the face of adversity. It has been translated into over 30 languages and has sold millions of copies worldwide. The novel has also been adapted into several films and television shows.

What lessons can be learned from "The Upstairs Room"?

"The Upstairs Room" offers valuable lessons about the importance of standing up for what is right, even in dangerous times. It also highlights the power of faith and the human spirit to overcome adversity. The novel reminds us of the courage and compassion of those who risked their lives to protect others during the Holocaust.

The Vagina Monologues at MIT: Q&A

What is The Vagina Monologues?

The Vagina Monologues is a play written by Eve Ensler that consists of a series of monologues and stories about the experiences of women with their vaginas. The play was first performed in 1996 and has since been translated into more than 45 languages and performed around the world.

When and where is The Vagina Monologues being performed at MIT?

The Vagina Monologues will be performed at MIT on March 8-10, 2023, in the Kresge Auditorium.

Who is performing The Vagina Monologues at MIT?

The Vagina Monologues at MIT is being performed by a cast of students, staff, and faculty members. The cast includes women of all ages, races, and sexual

REFRESH PM WALGREENS

orientations.

Why is The Vagina Monologues important?

The Vagina Monologues is an important play because it gives voice to the experiences of women that are often silenced or marginalized. The play helps to break down the stigma surrounding women's bodies and sexuality, and it encourages women to feel comfortable talking about their experiences.

How can I get tickets to The Vagina Monologues at MIT?

Tickets to The Vagina Monologues at MIT can be purchased online at <http://tickets.mit.edu>. Prices range from \$10-\$25.

Unveiling the Crystal Bible: A Journey into Gemstone Wisdom

The Crystal Bible is a renowned reference guide that delves into the world of crystals and their multifaceted properties. It has become an indispensable resource for crystal enthusiasts, healers, and individuals seeking insight into the power of gemstones.

What is the Crystal Bible?

The Crystal Bible, written by Judy Hall, is a comprehensive encyclopedia of over 200 crystals. It provides detailed descriptions of each stone, including their geology, historical significance, metaphysical properties, and healing applications. Each crystal is accompanied by a stunning photograph, making it an aesthetically pleasing resource as well.

Why is the Crystal Bible so Popular?

The Crystal Bible gained popularity due to its:

- **Comprehensive nature:** It includes information on a vast array of crystals, ensuring that readers can find what they're looking for.
- **Authoritative content:** The author, Judy Hall, has extensive experience in crystal healing and metaphysics, making the information provided highly credible.

- **Ease of use:** The book is organized alphabetically, with entries for each crystal. This makes it easy to locate the information you need quickly.
- **Beautiful presentation:** The high-quality photographs of each crystal add to the book's appeal and make it a joy to explore.

How to Use the Crystal Bible

The Crystal Bible can be used in multiple ways:

- **Research:** Find detailed information on the properties and applications of specific crystals.
- **Crystal identification:** If you have an unknown crystal, you can use the photographs to identify it.
- **Inspiration:** Browse the book's pages to discover new crystals and their potential uses.
- **Personal growth:** Explore the metaphysical and healing properties of crystals to enhance your spiritual journey.

Conclusion

The Crystal Bible is a valuable resource for anyone interested in the world of crystals. Its comprehensive information, authoritative content, ease of use, and beautiful presentation make it a must-have for crystal enthusiasts, healers, and anyone seeking to harness the power of gemstones.
