Evinrude Outboard Motors: A Comprehensive Guide**

Why did Evinrude stop making outboard motors?

In 2020, Evinrude announced its decision to discontinue production of outboard motors due to financial challenges and changing market conditions.

How to tell the year model of an Evinrude outboard?

The year model is typically found on a decal or plate attached to the engine's cowling. It may also be imprinted on the engine block.

Is it hard to find parts for Evinrude outboard motors?

While Evinrude is no longer producing new engines, many parts are still available through aftermarket suppliers and authorized Evinrude dealers.

What is the gas oil mix for Evinrude outboard motors?

Evinrude outboard motors require a 50:1 fuel-to-oil ratio for 2-stroke engines and a 100:1 ratio for 4-stroke engines.

How long do Evinrude motors last?

The lifespan of an Evinrude outboard motor varies depending on usage, maintenance, and environmental factors. However, with proper care and maintenance, they can last for many years.

Can you still buy Evinrude engines?

New Evinrude engines are no longer available, but pre-owned engines may be found through dealers, boat sales, and online marketplaces.

When was the last Evinrude made?

The last Evinrude outboard motor was manufactured in 2020.

Are Johnson and Evinrude motors the same?

Yes, Johnson and Evinrude outboard motors were manufactured by the same company, Outboard Marine Corporation (OMC).

Can you still get Johnson outboard parts?

Similar to Evinrude parts, many Johnson outboard parts are still available through aftermarket suppliers and authorized dealers.

What is the best fuel for a 2-stroke outboard?

For 2-stroke Evinrude outboard motors, it is recommended to use TC-W3 rated outboard oil mixed with unleaded gasoline.

Is Evinrude coming back?

As of 2023, there are no official plans for Evinrude to resume production of outboard motors.

Is Evinrude a good outboard motor?

Evinrude outboard motors are known for their reliability, performance, and durability.

What is the fuel mixture for a 1989 Johnson 25 hp outboard?

A 1989 Johnson 25 hp outboard motor requires a 50:1 fuel-to-oil ratio.

Can you mix different outboard oils?

No, it is not recommended to mix different outboard oils. Use the specific oil type recommended by the manufacturer.

What type of oil goes in a Evinrude lower unit?

The lower unit of an Evinrude outboard motor requires SAE 90 gear oil.

Why did they stop making Evinrude?

Evinrude stopped making outboard motors due to financial difficulties and changing market conditions.

Is Evinrude better than Mercury?

The quality and performance of Evinrude and Mercury outboard motors are comparable. Both brands have their advantages and disadvantages.

Is Evinrude still honoring warranty?

Evinrude is no longer honoring new warranties, but existing warranties still remain in effect.

Is Yamaha better than Evinrude?

The debate between Yamaha and Evinrude outboard motors is subjective. Both brands offer high-quality and reliable motors.

How to tell the age of an Evinrude outboard?

Refer to the decal or plate on the engine's cowling or check the engine block for the year model.

Which outboard motor is the best?

The best outboard motor depends on factors such as the size and type of boat, intended use, and personal preferences.

Does anyone still make a 2-stroke outboard motor?

Yes, some manufacturers such as Yamaha and Tohatsu still produce 2-stroke outboard motors.

What's the biggest outboard motor Evinrude makes?

The biggest outboard motor made by Evinrude was the 300 HP H.O. E-TEC G2.

Are two-stroke outboards reliable?

Modern two-stroke outboard motors, such as those with direct fuel injection, are generally reliable and offer good performance and fuel efficiency.

Is Evinrude coming back?

As of 2023, there are no official plans for Evinrude to resume production of outboard motors.

Why did Johnson Outboards go out of business?

Johnson Outboards went out of business in 1999 due to financial difficulties and competition from other outboard motor manufacturers.

Is Evinrude better than Mercury?

The quality and performance of Evinrude and Mercury outboard motors are comparable. Both brands have their advantages and disadvantages.

Is Evinrude a good outboard motor?

Yes, Evinrude outboard motors are considered reliable, durable, and high-performing engines.

Who bought out Evinrude?

Evinrude was bought out by Bombardier Recreational Products (BRP) in 2001.
