BECOMING A PERSON OF INFLUENCE HOW TO POSITIVELY IMPACT THE LIVES OF OTHERS

workplace. These questions, when answered with heart and sincerity, create a culture where employees feel valued, heard, and supported.

How to maximize your influence? You increase your influence when you make it a point to understand others - how they think, what they feel, what they want and need, and how they can help them. This is one of the reasons why I love Everything DiSC – it is a powerful tool to help you understand yourself and others, and learn to work better as a team.

What is the most basic factor you can use to determine if someone is a leader or not? Leaders need to be confident in themselves so that others may also be confident in them as well. Look for employees who understand their abilities and trust themselves to achieve success. See how they adapt to new challenges, especially those that require them to make decisions or learn new skills.

What determines influence? But there is only one metric that really shows influence, and that is re-engagement. You know you've exerted influence when people re-purchase your product, or return again and again to use your app, or invite you to speak again at their event.
