

# CALIFORNIA CDL TEST QUESTIONS AND ANSWERS

## [Download Complete File](#)

**How many questions are on the California CDL test?** In California, the CDL Class A written test has 50 multiple choice questions on the general exam. Topics include safe driving, safe transportation, CDL rules and requirements and pre-trip vehicle inspections. The CDL written test is administered most commonly on a computer.

**How hard is the CA CDL permit test?** The exam can be tricky and you only have an hour to answer the 50 questions. Get just 10 wrong and score below an 80% and you are looking at another trip to the DMV on another day. If you want to avoid multiple trips, you also need to be ready with all the qualifying paperwork.

**What are the three tests for CDL in California?** Pass the skills test, which includes a vehicle inspection, basic control skills test, and road test. If you fail any part of the skills test, all other testing will be postponed.

**How many correct answers to pass DMV test California?** Unlike most other states, the number of questions on your California DMV written test will depend on your age. Those under 18 will receive a test with 46 questions and must answer 38 of them correctly to pass. If you are over 18, your test will only have 36 questions, and you must answer 30 of them correctly.

**How many pull ups on CDL test California?** You are allowed two free pull-ups and may exit the vehicle a maximum of two times to check behind the vehicle during this exercise. Your vehicle must be completely within the space when completed. Please set your parking brake and sound your horn when you have completed the exercise.

**How much does it cost to get CDL in California?**

**What is the hardest part of CDL test?** The general consensus is that the road test is the hardest part of getting your commercial driver's license (CDL). However, that could depend on how much you study and practice or how you feel about taking written tests.

**How to easily pass California permit test?**

**What's the fastest you can get a CDL?** Getting a Commercial Driver's License (CDL) is one of the first steps when beginning your professional truck driving career. You're probably wondering, "How long does it take to get a CDL?" Obtaining a CDL can take as little as three weeks or as long as six months.

**What happens if you fail your CDL test three times in California?** In California, you can retake your CDL test up to three times with the same permit. If you do not pass the exam in three tries, you will need to obtain a new permit and start all tests over again.

**How much do truck drivers make in Cali?**

**What disqualifies you from being a truck driver in California?** Any alcohol or drug related offenses. Leaving the scene of an accident. Commission of a felony involving the use of a motor vehicle. Driving a CMV while your CDL is suspended, revoked, disqualified, or cancelled.

**What are the most commonly missed questions on the California DMV test?**

**Can I take the California DMV written test online?** Take the online test. The at-home online knowledge test is available online weekdays Monday through Friday from 8 a.m. to 4 p.m., except on State holidays. The test is supervised remotely, so it requires you to use a webcam and cannot be done on a smartphone or tablet.

**How many times can you fail DMV test in California?** Your application fee allows you three attempts to pass the driving test. If you fail the driving test, you must schedule a new driving test on another day and pay a \$7 retest fee. If you fail the driving test three times, your application is no longer valid and you must reapply.

**How many times can you take the CDL road test in California?** Remember: You are allowed a total of 3 attempts to pass the vehicle inspection test, basic control skills test, and road test.

**How many CDL drivers are in California?** Yet, in California alone, there are 640,445 people who hold active Class A and Class B commercial driver's licenses, according to the Department of Motor Vehicles. Meanwhile there are only 140,000 "truck transportation" jobs in the state, according to the state Employment Development Department.

**Does California require parallel parking?** One thing the California Driver's Test does not require, however, is parallel parking. Nowhere on the test must a driver successfully parallel park. Parallel parking, though difficult, is an important skill for all drivers to know and master.

**How long is CDL school in California?** Advanced Career Institute's Class A CDL training will take 160 hours (4-weeks) to complete. Our Advanced Professional Truck Driver course takes 240 hours (6-weeks) to complete. Find the class time that best fits your schedule best.

**What is the highest paying truck driver job?**

**What are the three tests for a CDL permit in California?** After you hold a commercial learner's permit (CLP) for 14 days, you can apply to take the skills test to earn your CDL. Bring the type of vehicle(s) for the class you want to drive. The skills test includes a vehicle inspection, basic control skills test, and road test.

**How many questions can you miss on the California CDL combination test?**

**How many questions does the California DMV test have?** There are 46 questions on the test that cover information about California signs and traffic laws. The questions are in multiple-choice format. You will need to score at least a 38 to pass. One of the best resources for studying is the California Driver Handbook.

**How many questions are on the California CDL air brake test?**

**How many questions are on the California Class C?**

**What is Solomon model of consumer Behaviour?** This model suggests that human functioning can be explained by a triadic interaction of behavior, personal and environmental factors behavior of individual is depending on intervention on the belief and attitude of consumer Models such as Social Marketing and Diffusion of Innovation operate at a broader, societal scale ...
