## **The Upside of Down: Why Failing Well is Key to Success**

By Megan McArdle

Failure is often seen as a negative, something to be avoided at all costs. However, research shows that failing well can actually be key to success. In her book, "The Upside of Down," author Megan McArdle argues that failure is an essential part of the learning process and that it can help us develop the resilience, creativity, and problem-solving skills necessary for success.

**Q: Why do we tend to avoid failure?**

**A:** We avoid failure because it can be painful and embarrassing. It can also damage our self-esteem and make us feel like we are not good enough. Our societal pressure to succeed can make us even more aversive to failure.

**Q: What are the benefits of failing?**

**A:** Failing can help us learn from our mistakes, develop resilience, and become more creative. It can also help us to become more humble and to appreciate the value of success. Research has shown that people who have failed are more likely to be

successful in the long run than those who have never failed.

**Q: How can we fail well?**

**A:** To fail well, it is important to:

- Be honest with ourselves about what went wrong.
- Learn from our mistakes and make changes so that we do not repeat them in the future.
- Seek support from others who have failed and can offer advice.
- Maintain a positive attitude and do not give up on our goals.

**Q: Why is failing well key to success?**

**A:** Failing well is key to success because it helps us to develop the resilience, creativity, and problem-solving skills necessary to overcome challenges and achieve our goals. It also helps us to become more humble and to appreciate the value of success. People who have failed well are more likely to be successful in the long run than those who have never failed.

**Q: What is the takeaway message?**

**A:** The takeaway message is that failure is not something to be feared. It is an essential part of the learning process and can actually help us to achieve success. By embracing failure, we can become more resilient, creative, and successful.
