Everything You Need to Know About the Hyundai Accent**

Introduction

The Hyundai Accent, introduced in 1994, has become a popular choice for budget-conscious car buyers. Known for its affordability, fuel efficiency, and reliable performance, the Accent has established itself as a solid option in the subcompact car segment.

Price and Value

The price of a used 2005 Hyundai Accent varies depending on its condition, mileage, and location. On average, you can expect to pay between **\$2,500 to \$5,000**.

Durability

The Hyundai Accent is generally considered a durable car. With proper maintenance, it can easily last **over 200,000 miles**.

Engine Life

The average engine life expectancy of a Hyundai Accent is around **150,000 to 200,000 miles**.

Fuel Consumption

The 2005 Hyundai Accent has an EPA-estimated fuel consumption of **29 mpg in the city and 33 mpg on the highway**.

Cheapest Model

The cheapest Hyundai Accent model is typically the base GL trim level. It comes standard with features such as air conditioning, power windows, and a CD player.

Issues

Common issues with the Hyundai Accent include:

- Transmission problems
- Engine misfires
- Suspension issues

Maintenance Costs

Maintaining a Hyundai Accent is generally inexpensive. Regular maintenance, such as oil changes, tire rotations, and brake pad replacements, should cost around **\$300 to \$500 per year**.

Speed

The Hyundai Accent is not known for its speed. The 0-60 mph acceleration time for a 2005 Accent is around **9.5 seconds**.

Resale Value

The resale value of a Hyundai Accent is relatively low compared to other subcompact cars. However, it still holds its value better than most economy cars.

Why Hyundai Stopped the Accent

Hyundai discontinued the Accent in the United States in 2011. The decision was made to focus on newer and more popular models, such as the Elantra and the Veloster.

Is the Hyundai Accent a Good Car to Buy?

The Hyundai Accent is a good car to buy if you are looking for a reliable, affordable, and fuel-efficient vehicle. It offers decent performance, a spacious cabin, and a low cost of ownership.
