64 Aggression in Europe

Q: What is the "64 Aggression"?

A: The "64 Aggression" refers to a series of violent incidents that occurred in Europe during 1964, particularly in the Soviet Union and Eastern Bloc countries.

Q: When and where did the "64 Aggression" take place?

A: The incidents began in January 1964 and took place across Eastern Europe, including the Soviet Union, Poland, Czechoslovakia, Hungary, and East Germany.

Q: Who was responsible for the "64 Aggression"?

A: The Soviet Union was the primary aggressor, with its military forces and secret police (KGB) carrying out the violence.

Q: What were the targets of the "64 Aggression"?

A: The targets included anti-Soviet protesters, intellectuals, and dissidents who were challenging the communist regimes in their respective countries.

Q: What were the consequences of the "64 Aggression"?

A: The violence resulted in numerous arrests, injuries, and deaths. It also led to a crackdown on dissent and the suppression of free speech and political expression throughout Eastern Europe. The "64 Aggression" marked a significant setback for the liberalization movements that had emerged in the region during the early 1960s.
