

# INTERMEDIATE COMPREHENSION PASSAGES WITH ANSWER

## [Download Complete File](#)

**How do you find the answers to a comprehension passage?** Important Strategy to Solve Comprehension Passages Read the passage as fast as possible. Get involved with the paragraph to understand it. Underline important lines or parts of the passage to answer the questions. It will also help to understand the main idea of the passage or the tone or mood of the author.

**How do you pass comprehension passages?**

**What is the intermediate level of reading?** At the Intermediate level, readers can understand information conveyed in simple, predictable, loosely connected texts. Readers rely heavily on contextual clues. They can most easily understand information if the format of the text is familiar, such as in a weather report or a social announcement.

**What are the reading questions for comprehension?** How does the story unfold? -Would people in your life act this way? -What is unbelievable about this text? -Should other kids read this? Why or why not? -What important information is missing? -What would have made this story more interesting to read? -What are the words or phrases that you really liked or disliked?

**How to ace a reading comprehension test?**

**How to solve reading comprehension fast?**

**How can I make comprehension easier?**

**How to get 100 on reading comprehension?** Read the passage carefully before answering the question. Take a few minutes to read the entire passage so that you understand the main ideas. As you read, look for main ideas and supporting examples. Don't try to answer any questions before you read the entire passage. You don't want to miss something important!

**What are the 5 steps in reading comprehension?**

**What grade level is intermediate?** The time spent in Intermediate school (6th – 8th grade) is a formal, operational stage of development for children. During this stage, your child will develop skills to logically solve problems, understand different views, and make plans for the future.

**What age is intermediate reading level?** Signs of an Intermediate Reader: Ages 6 to 8 Your child is probably an intermediate reader (also known as a developing reader) if he does most of the following: Reads smoothly most of the time with few mistakes, but sometimes stops to sound out words.

**How do you teach reading to intermediate level?** Use Paired Books to teach readers to see connections and differences across texts. Students build perspective and comprehension as they consider multiple viewpoints on a topic or issue. Student discussion using carefully crafted text-dependent questions builds speaking and listening skills.

**What are the 5 basic comprehension questions?** Before reading we always ask our students to share information they already know on a topic using the 5 Ws (who/what, did what, when, where, why) to help organize their prior knowledge.

**How do you solve comprehension passages?**

**What are the 3 big questions in reading?** The Three Big Questions strategy challenges readers to annotate in the margins by marking passages that answer the questions: "What surprised me?", "What did the author think I already knew?", and "What challenged, changed, or confirmed what I already knew?".

**What should one do for finding the right answer in reading comprehension?** For factual or specific point questions, you can always re-read the passage. Always

go through the questions first and then the passage. This will prepare you to focus on the things you need to look in the passage. Focus only on the questions, and not on a particular answer option.

**How to find the right keywords in reading comprehension?**

**How do you answer a comprehension and summary passage?**

**How do you find the answer to an unseen passage?** Focus on the relevant details and underline them with a pen or a pencil. Read the questions carefully and go back to the passage to find the answers. The answers are generally in a logical sequence. Try to write the answer in your own words.

**Is Nothing to Envy a North Korean song?** The song was composed in 1961 by North Korean composer Kim Hyuk. The song was commonly sung during the 1980s but were not sung for a long time due to the North Korean famine in the 1990s until it was revived at the World Children's Day event in 2016.

**What is the summary of nothing to envy ordinary lives in North Korea?** Brief summary Nothing to Envy by Barbara Demick is a non-fiction book that follows the lives of six North Koreans as they struggle to survive poverty, famine, and dictatorship. It provides a heart-wrenching insight into life under the oppressive regime of North Korea.

**What is the author's purpose for writing "Nothing to Envy Ordinary Lives" in North Korea?** Based on testimonies of six defectors living in South Korea and China, Demick provides insight into the lives of ordinary North Koreans. She highlights fond memories of one of the main characters, "Mi-ran," and her courtship during power-outages and lack of electricity that were a common occurrence. "Dr.

**What is Nothing to Envy based on?** Overview: Nothing To Envy uses the experiences of six North Korean defectors to address the extremes and difficulties of everyday life under the totalitarian regimes of Kim Il-sung and Kim Jong-il.

**What is the North Korean dictator song?** Significance. "No Motherland Without You" was composed especially for Kim Jong Il and is considered his "signature song". The song enjoys popularity in North Korea, where it is frequently broadcast on the radio and from loudspeakers on the streets of Pyongyang.

**What is the song played every morning in North Korea?** "Where Are You, Dear General?" is a North Korean song, supposedly written by Kim Jong Il. Since at least 2008, the song plays through speakers of the Pyongyang Railway Station in the morning, albeit heavily distorted. "Where Are You, Dear General?"

**Why can nobody escape North Korea?** Physical Isolation. It's illegal for North Koreans to leave their country without the government's permission. North Koreans who do attempt to leave the country illegally and are caught can face severe consequences including torture, forced labor, and life-imprisonment in a political prison camp.

**What do North Koreans think of Kim Il Sung?** Kim Il Sung. The personality cult surrounding Kim Il Sung is by far the most widespread among the people. While there is genuine affection for Kim Il Sung, it has been manipulated by the government for political purposes. The veneration of Kim Il Sung came into full effect following a mass purge in 1953.

**Is it true that you Cannot leave North Korea?** Freedom of movement. North Korean citizens usually cannot freely travel within, let alone outside of, the country. Emigration and immigration are strictly controlled.

**What is the main theme of Nothing to Envy?** In Nothing to Envy, the author recounts the little-known details of life in North Korea, seen from people who defected in the country. The main theme of the book is the effect of propaganda, misinformation, and media control, on the population of North Korea.

**Who is the main character in nothing to envy?** Mi-ran – (the main character) daughter of a kaolin miner, a South Korean POW, so with bad songbun, disqualifying her from advancement, but one that may finally be improved with work; is accepted at a teacher's college and begins teaching kindergarten classes right at the start of the country's devastating economic ...

**What type of novel is "Nothing to Envy"?** Non-Fiction Prose Study: Nothing to Envy by Barbara Demick.

**What is envy based on?** Often, envy involves a motive to "outdo or undo the rival's advantages". In part, this type of envy may be based on materialistic possessions

rather than psychological states.

**Is BTS songs banned in North Korea?** Kpop in North Korea is not allowed: that means no concerts there or anything like that. You won't find any merch of any group there like you do in every corner of South Korea. But this doesn't mean North Koreans don't know about BTS or Kpop in general.

**Is Kim Jong Il still the leader of North Korea?** He led North Korea from the death of his father Kim Il Sung in 1994 until his death in 2011, when he was succeeded by his son, Kim Jong Un. Afterwards, Kim Jong Il was declared Eternal General Secretary of the Workers' Party of Korea (WPK).

**Who is the friendly father in North Korea?** The music was composed by Jong Chun Il. The lyrics of "Friendly Father" were written by An Pun Hui and praise North Korean supreme leader Kim Jong Un as a "trustworthy and loving leader". The chorus encourages the listener to "boast about Kim Jong Un, a friendly parent".

**What time do people wake up in North Korea?** Citizens who live in Pyongyang, North Korea's capital, wake up early every day to eerie music. Viral videos have resurfaced of a 6 a.m. alarm blasted through the city's loudspeakers.

**Why North Korea is called Land of Morning Calm?** This is an image of the lovely landscape of Korea. It is a place of great natural beauty, featuring stunning mountains, clear waters and serene countryside. Indeed, its tranquil scenery has led to Korea being traditionally known as the "Land of Morning Calm."

**Do they listen to music in North Korea?** So, yes you can very much listen to music in North Korea, sing in North Korea, dance in North Korea and overall eat, drink and be very merry in the country, despite what rumors you might have heard to the contrary. And YPT run a number of tours where you can do this, such as New Year, or when concerts are held.

**What is the 3 generation rule in North Korea?** While persons convicted of ordinary crimes serve fixed sentences, those convicted of political crimes are confined indefinitely. Punishment is extended to three generations – the offender's parents, siblings, and children are also incarcerated, as a way to pressure North Koreans to conform.

**Can you leave North Korea if you were born there?** For North Koreans to make a living, escape from North Korea, find freedom, and survive, [these] are possible only [by going] against the state law. Therefore, when they come to [an] “alien land,” there are cases where people do not want to follow the law, or do not trust or rely on the benefits provided by the state.

**Who was the girl who escaped North Korea?** Yeonmi Park's first book was her memoirs titled *In Order to Live: A North Korean Girl's Journey to Freedom* (2015), which was published in the United States by Penguin Press.

**How do South Koreans feel about North Korea?** According to a 2014 BBC World Service poll, 3% of South Koreans viewed North Korea's influence positively, with 91% expressing a negative view, making South Korea, after Japan, the country with the most negative feelings of North Korea in the world.

**What does North Korea think of America?** Relations between North Korea and the United States have been historically hostile. The two countries have no formal diplomatic relations. Instead, they have adopted an indirect diplomatic arrangement using neutral intermediaries.

**What is the most strict rule in North Korea?** The North Korean government does not permit freedom of thought, opinion, expression, or information. All media is strictly controlled. Accessing phones, computers, televisions, radios, or media content that is not sanctioned by the government is illegal and considered “anti-socialist behavior” to be severely punished.

### **Teaching Transparency Master Answer Key**

Transparency masters are a valuable teaching tool that can help educators convey information clearly and effectively. By providing students with a visual aid, teachers can help them understand complex concepts more easily. Teaching transparency masters are often accompanied by an answer key, which provides the correct answers to the questions or activities on the transparency.

**Question:** What is the capital of France?

**Answer:** Paris

---

**Question:** What is the largest ocean in the world?

**Answer:** Pacific Ocean

**Question:** What is the chemical symbol for gold?

**Answer:** Au

**Question:** What is the name of the author of "To Kill a Mockingbird"?

**Answer:** Harper Lee

**Question:** What is the square root of 144?

**Answer:** 12

Transparency masters and answer keys can be used in a variety of ways in the classroom. They can be used as a starting point for a discussion, as a way to review material, or as a way to assess student understanding. When used effectively, transparency masters can be a powerful tool for teaching and learning. However, it is important to note that transparency masters should not be used as a substitute for actual instruction. Rather, they should be used as a supplement to help students learn.

In addition to the questions and answers provided above, there are a number of other resources available to help teachers use transparency masters effectively in the classroom. Many educational publishers provide transparency masters and answer keys as part of their curriculum packages. There are also a number of websites that offer free transparency masters and answer keys. With a little planning, teachers can find a wealth of resources to help them use transparency masters to their full potential.

**What is the main idea of *Sapiens: A Brief History of Humankind*?** Harari's main argument is that Sapiens came to dominate the world because they are only animal that can cooperate flexibly in large numbers. He argues that prehistoric Sapiens were a key cause of the extinction of other human species such as the Neanderthals and numerous other megafauna.

**Is the Sapiens book worth reading?** Overall it's an amazing book and 100% worth the time it takes to read and then some, but evolution is not really the primary subject here.

**Is A Brief history of Humankind accurate?** His book Sapiens: A Brief History of Humankind is an effort in the genre of universal history. Like many such efforts, it does not contain much actual history. Rather, it is a speculative reconstruction of human evolution, supplemented by the author's thoughts on recorded history and the human condition.

**Is Sapiens an interesting book?** It has over 68,000 Amazon reviews, a staggering number, especially for a nonfiction book. For many people, it was among the first history books they enjoyed reading. It briefly introduced our evolutionary and societal history in a pop-nonfiction style that hadn't been done particularly well in history before.

**Is Yuval Harari religious?** Yahav has also been Harari's personal manager. They married in a civil ceremony in Toronto, Canada. He lives in Karmei Yosef, a moshav in central Israel. Though he is an atheist, Harari has practiced Vipassana meditation since 2000 and said that it "transformed" his life.

**What does the book Sapiens teach us?** Sapiens tells us how we became the dominant species on earth and why we may be at the end of our reign. It shows that for tens of thousands of years, Sapiens were not masters of knowledge but mastered their environment.

**What did Harari believe?** Harari is clear: 'none of these things exists outside the stories that people invent and tell one another. There are no gods in the universe, no nations, no money, no human rights, no laws and no justice outside the common imagination of human beings', at p. 31.

**Is the book Sapiens anti-religion?** 'Transhumanism—at least in the form in which it is represented and explained by Harari—stands, above all, on the ground of anti-religion. The mechanical man, who becomes immortal, as the meaning and purpose of history, is above all the opposite of the eschatological perspectives of all religions.

**Did Bill Gates read Sapiens?** Bill Gates recommends reading Yuval Noah Harari's "Sapiens: A Brief History of Humankind" When Melinda and I went on our spring vacation, I encouraged her to pack a copy of Yuval Noah Harari's Sapiens: A Brief History of Humankind. I had just finished the book and I was dying to talk to her about it.

**Why is Sapiens so popular?** But Sapiens has often been considered a popular science book, since it deals with some of the central questions of human evolution, such as the development of language and our cognitive abilities.

**What separates humans from animals according to Harari?** HARARI: The real difference between humans and all other animals is not on the individual level, it's on the collective level. Humans control the planet because they are the only animals that can cooperate both flexibly and in very large numbers.

**What does Sapiens: A Brief History of Humankind say about gossiping?** "Sapiens: A Brief History of Humankind," by Yuval Noah Harari, claims that gossip, based on judgments, began our rule of the planet. "Social cooperation is our key for survival and reproduction," he writes in the book. "It is not enough for individual men and women to know the whereabouts of lions and bison."

**Is Sapiens a difficult read?** 'Sapiens' requires an advanced, C1 level of English to read the original version. The main reason for this is the level of vocabulary, advanced grammatical features and the tendency of the author to use a lot of metaphorical language to express his point.

**What is the main message of Sapiens?** In Sapiens, author Yuval Noah Harari questions the idea that humans (Homo sapiens, or Sapiens) are evolution's biggest success story. Humans are more populous and industrious than we've ever been, which suggests—at least on the surface—that we're thriving as a species.

**Why is Sapiens said twice?** The reason that "sapiens" is repeated twice is that there are two subspecies of Homo sapiens. One is Homo sapiens sapiens, which refers to modern humans. The other is Homo sapiens neanderthalensis, which refers to Neanderthals.

**What is the main theme of sapiens?** Themes of Sapiens: A Brief History of Humankind by Yuval Noah Harari include technological change, human society, and abstract ideas. In Sapiens, the author argues that humans are the most successful species in history. One of the reasons for that success is that we can create and discuss abstract ideas.

**What are the ideas in sapiens?**

**What is the main idea of human evolution?** Human evolution is the lengthy process of change by which people originated from apelike ancestors. Scientific evidence shows that the physical and behavioral traits shared by all people originated from apelike ancestors and evolved over a period of approximately six million years.

**What does Sapiens: A Brief History of Humankind say about gossiping?** “Sapiens: A Brief History of Humankind,” by Yuval Noah Harari, claims that gossip, based on judgments, began our rule of the planet. “Social cooperation is our key for survival and reproduction,” he writes in the book. “It is not enough for individual men and women to know the whereabouts of lions and bison.
