But along their adventure, they grew closer, and while the exact status of their relationship is complicated; both have shown romantic feelings for one another.

Does what we do in the shadows have romance? In season 3, Nandor and Lazlo admit to having slept together, and in season 4, Nandor clarifies that his past 37 wives weren't all women. In season 5, Colin Robinson reveals he had a romantic relationship with Davy Crockett. The vampires are all queer, but their sexuality is never important to the story.

Is there romance in Shadow? In short, not really. But there have been hints and there is the possibility of something in the future (not yet as of book fifteen). Kaylin has not really been ready for a romantic relationship so far. And if she ever is, it will have been built out of a long relationship that slowly evolved into romance.

Is there romance in above the shadows? Sex, Romance & Nudity The scene is more touching, caressing, and kissing than sex, since one of the partners is a virgin. A few other scenes of couples kissing. One reference to an adult unknowingly having sex with a 16-year-old whom he thought was a college student/above the age of consent.
