**What happened in the second chapter of The Great Gatsby?** Chapter 2 is mostly about a party that Nick attends. It is hosted at the apartment which Tom rents for

secret meetings with his mistress, Myrtle. Myrtle invites her neighbors and sister, and the group gets drunk and converses. Tom and Myrtle have an argument, and Tom breaks Myrtle's nose.

**What is the role of the secondary characters in *The Great Gatsby*?** Lesser characters like Meyer Wolfsheim, Dan Cody, and Henry Gatz give the reader insight into Gatsby's early life and how he became a millionaire of epic proportions. Owl Eyes and Klipspringer represent the various types of people who frequent Gatsby's blowout parties.

**What does New York symbolize in *The Great Gatsby*?** New York on the other hand symbolizes what America has become in the 1920s where anything goes and where business was done, where bootleggers and crime flourishes. East egg and west egg is important because that's where the main characters live and Gatsby keeps an eye on daisy from the west egg.

**What does the green light symbolize in *The Great Gatsby*?** The Green Light is significant for several reasons. First, it symbolizes Gatsby's undying love for Daisy as he reaches toward the light on her dock. However, it becomes symbolic of Gatsby's inability to fully reach the American dream as his life unravels.

**Why does Nick get drunk in chapter 2?** Nick states that there is a “quality of distortion” to life in New York, and this lifestyle makes him lose his equilibrium, especially early in the novel, as when he gets drunk at Gatsby's party in Chapter 2.

**What did Nick do after Gatsby was killed?** A while after the funeral, Nick saw Tom. Tom said that he told Wilson, the man who killed Gatsby, that it was Gatsby's car that hit Wilson's wife, Myrtle. Nick did not like living in the East anymore, and he decided to leave the city and move back west.

**Does Daisy have a crush on Nick?** Like Zelda Fitzgerald, Daisy is in love with money, ease, and material luxury. She is capable of affection (she seems genuinely fond of Nick and occasionally seems to love Gatsby sincerely), but not of sustained loyalty or care.

**Is Daisy Nick's cousin?** She is narrator Nick Carraway's second cousin, once removed, and the wife of polo player Tom Buchanan, with whom she has a daughter.

Before marrying Tom, Daisy had a romantic relationship with Jay Gatsby. Her choice between Gatsby and Tom is one of the novel's central conflicts.

**What is Jay Gatsby's real name?** We learn from Nick about Gatsby's true origins. His real name is James Gatz. He comes from North Dakota. At the age of 17 he changed his name to Jay Gatsby after meeting a rich mining prospector called Dan Cody.

**Is Nick in love with Gatsby?** This is at the very end of the novel. Of the late Gatsby, Tom says, "That fellow had it coming to him. He threw dust in your eyes just like he did in Daisy's...." And that's why it matters that Nick is gay and in love with Gatsby: because Tom's assessment is spot-on, but Nick will never admit it.

**What does the death of Myrtle symbolize?** Myrtle Wilson's death symbolizes the tendency of society to favor the elite at the expense of the lower classes. Tom and Daisy, the elite couple, walk away virtually consequence-free after destroying and killing Myrtle, as well as indirectly causing the deaths of George Wilson and Jay Gatsby.

**What does Gatsby's yellow car symbolize?** Jay Gatsby's flashy yellow Rolls Royce represents his singular desire to impress Daisy with his wealth, but it ultimately leads to the complete destruction of that dream.

**What does the owl-eyed man symbolize in The Great Gatsby?** Owls represent wisdom as well as a symbol for death. This man is a symbol for both within the novel. The man seems to represent the entity of Death or is at least a harbinger or omen for Gatsby's death.

**What do the eyes symbolize in The Great Gatsby?** What are the eyes of Dr TJ Eckleburg and what do they represent in the story? The eyes are from a billboard ad in the Valley of Ashes and represent the moral and spiritual decay of American society. The ad was originally placed by an oculist who wanted to start a business, but since abandoned it.

**What do the eyes of Dr TJ Eckleburg symbolize?** The Eyes of Doctor T. J. Eckleburg They may represent God staring down upon and judging American society as a moral wasteland, though the novel never makes this point explicitly. Instead,

throughout the novel, Fitzgerald suggests that symbols only have meaning because characters instill them with meaning.

**Did Nick and Mr. McKee sleep together?** The ellipsis that is placed at the end of the elevator scene has almost as much impact on the story as if Fitzgerald had explicitly states that Nick and Mr. McKee slept together, if one were to read it that way. The ellipsis in itself is an innuendo for having a sexual encounter.

**Why does Tom slap Myrtle?** Tom hits Myrtle because she will not stop saying "Daisy. " In his mind, she is showing him disrespect and challenging his authority, and he refuses to tolerate this kind of behavior from her. This scene reinforces the idea that, beneath his veneer of calm civility, he has a penchant for violence.

**Was Nick Carraway rich?** In some senses Nick can be seen as an 'everyman' – a normal person observing how the rich live and play. But his own family are 'well-to-do' (they own a wholesale hardware business), and his cousin Daisy is rich. He is also a graduate of Yale, one of the most prestigious and expensive universities in the USA.

**Who arrives 3 days after Gatsby's death?** Three days after the murder of Gatsby, a telegram from his father, 'signed Henry C. Gatz' arrives and, a few days later, Mr. Gatz arrives at the mansion.

**Why doesn't Daisy attend Gatsby's funeral?** Daisy is unable to confront the reality of her part in Gatsby's passing due to her feelings of guilt and shame; as a result, she is prevented from attending the funeral of Gatsby. In addition, Daisy is still married to Tom, so she may be concerned about what the aftermath of her attendance at Gatsby's funeral will be.

**What is ironic about Gatsby's funeral?** Gatsby's funeral is ironic because only three people attend, while enormous crowds attended his parties. Despite being a popular figure in the social scene, once Gatsby passes, neither Daisy, his business partner Henry Wolfsheim, nor any of his partygoers seem to remember him or care.

**What happened to Nick at the end of chapter 2?** Nick leaves the party and goes home with McKee, the photographer. The narrative gets harder and harder to follow as Nick's inebriation really catches up with him. Nick somehow ends up at the train

station, waiting for the 4 am train to get back to West Egg.

**Who did Nick sleep with in chapter 2?** McKee is coded and the way the whole novel is about Nick's obsession with Gatsby, and the fact that the scene doesn't otherwise contribute to the book, a lot of people read it as Nick having slept with Mr. McKee.

**What rumor about Gatsby is revealed in chapter 2?** The first rumor that Nick Carraway hears regarding his enigmatic, affluent neighbor, Jay Gatsby, takes place in chapter two when he visits Tom Buchanan's apartment in the city. During the party, Catherine tells Nick that she heard Gatsby is the nephew or cousin of Kaiser Wilhelm.

**What does Nick learn about Tom at the end of chapter 2?** The most important thing Nick learns about Tom by the end of chapter 2 is that he is having an affair. During the chapter, Nick and Tom travel to pick up Myrtle and they meet by catching the train from different locations to the city.
