**What is Twisted Love book about?** The story is an opposites-attract relationship between Ava, an upbeat Chinese college student and her brother's best friend, a controlling, possessive antihero with trust issues.

**Is Twisted Love a spicy book?** There is a lot of spice- it's a tad demeaning, dirty, rough so be warned. The theme of "vengeance" was a bit over-the-top but I guess the twists were decent.

**Why is Twisted Love 18+?** WARNING: This book contains a possessive antihero, explicit sexual content, and profanity. No cheating or menage, but if you're looking for a traditionally sweet, loveable hero, this is not the book for you. Recommended for 18+.

**Is the Twisted series 18+?** (This set includes three full length contemporary steamy romance novels filled with lots of emotion and ever lasting love. There is an HEA. This series is intended for readers 18+. There is strong language, some violence and lots of steamy sex scenes.)

**Why was the book twisted banned?** Twisted by Laurie Halse Anderson Why it's banned: Twisted was banned because its content included sex, child abuse, suicide, and drug abuse.

**Can my 13 year old read Twisted Love?** 12+ for mature tweens and teens. I've read reviews on Twisted Love and all of them are VERY dramatic. While some parents may want their children to stay innocent it's not possible past the age of 11.

**How old are Alex and Ava in Twisted Love?** The central setup of Alex and Ava's relationship is icky enough; Alex is the 26-year-old best friend of Ava's older brother (Ava is 21/22 years old) who is originally asked by her brother to look after her whilst he is away.

**Is Twisted Love like 50 Shades of Grey?** The main character was a second hand copy of Christian Grey. There were so many contradictions between how he was described and his actions /words. Some scenes literally felt like they were directly taken from Fifty Shades, but in a bad way and I didn't particularly enjoy Fifty Shades.

**Do Alex and Ava have a baby?** Alex Volkov is a main character in the Twisted Series. He is the male protagonist of Twisted Love. He is currently married to Ava Chen and has a pair of twins, Niko and Sofia.

**Why did Alex and Ava break up?** When the “police” (a clean-up team that Alex employs to erase his messes) arrive, Ava hopes that Alex will give her an explanation that will absolve him from the betrayals he claims to have committed against her and her family. However, Alex makes no move to defend himself, leaving Ava heartbroken.

**What does Alex look like in Twisted Love?** My opinion! Before anyone says anything about alex, in the book he was described to have light brown hair and green eyes! Like for part 2! #twistedseries #twistedlove #twistedloveanahuang #twistedlovebook #avachen #alexvolkov #fyp? #book #booktok #books.

**Does Twisted Love have inappropriate scenes?** If you're 12 reading this, please trust me here: you don't want what this book is peddling. This title has: Too much violence. Too much sex.

**Is Twisted Love a dirty book?** WARNING: This book contains a possessive, morally gray alphahole; explicit sexual content, and profanity. No cheating or menage, but if you're looking for a traditionally sweet, loveable hero, this is not the book for you. Recommended for 18+.

**Can a 14 year old read Haunting Adeline?** To start, the book opens with a warning stating that the book is only meant for people over the age of 18. I can legally vote, drive, and be a functioning member of society, but I still felt too young to read this

book. This book is an extremely, very, outrageously dark romance.

**Can a 12 year old read Shatter Me?** but if you want a age rating id say a mature 12 year old could handle it but 14+ sound fine.

**What is the most banned book in the US?** 1. "Gender Queer: A Memoir," by Maia Kobabe. The most banned book of the 2021-2022 school year was "Gender Queer: A Memoir" by Maia Kobabe. It was removed from school libraries and/or classroom bookshelves on 41 separate instances, according to PEN America.

**Can I read Twisted Hate without reading Twisted Love?** Twisted Hate is a steamy enemies with benefits/enemies to lovers romance. It's book three in the Twisted series but can be read as a standalone.

**Do you have to read Twisted Love in order to read Twisted Games?** It would be better to read it in order, but it can be read as a stand-alone too.

**Is Twisted Love a movie?** Twisted Love, a thriller movie starring Lisa Ryan, Mark-Paul Gosselaar, and Soleil Frye is available to stream now.
