CUT PATRICIA MCCORMICK

What were the challenges of bringing Lakshmi's story to life? It was also a challenge to keep the book from being too grim, and to keep Lakshmi's humanity alive in a believable way. It was important to remember that in even the grimmest of situations, there is kindness as well as cruelty, boredom as well as terror, and even, surprising as it may seem, humor.

Who wrote the poem "Cut"? The American poet Sylvia Plath wrote "Cut" in 1962. After suddenly slicing her thumb while chopping an onion, the poem's speaker compares her bloody wound to a series of surreal, disturbing, and darkly comic images.

What is a Cut in poetry? Cut-up is performed by taking a finished and fully linear text and cutting it in pieces with a few or single words on each piece. The resulting pieces are then rearranged into a new text, such as in poems by Tristan Tzara as described in his short text, TO MAKE A DADAIST POEM.

What is the poet's attitude toward the Cut? The poet's attitude toward the cut is ironic, stating one thing and meaning quite another. Through the trivialization of the cut, the poet creates a scene of such sharp detail that she renders the cut horrific.

Why does Callie cut herself in Cut? Callie cut herself because of feelings of guilt and anger that she couldn't express verbally. She was unable to speak, I think, because she was afraid of being misunderstood and afraid of letting out a secret that could have troubling consequences for the rest of her family.

What point of view is sold by Patricia McCormick? Sold is a novel by Patricia McCormick, published in 2006. It tells the story of a girl from Nepal named Lakshmi, who is sold into sexual slavery in India. The novel is written in a series of short, vignette-style chapters, from the point of view of the main character.

What is the conflict in Sold by Patricia McCormick? One of the central conflicts in the novel, Sold, is Lakshmi's battle against Mumtaz. Mumtaz wants Lakshmi to fall in line as a good, obedient prostitute, and Lakshmi wants to maintain her pride and virginity. At first Mumtaz attempts to beat Lakshmi into submission. When that does not work, she threatens to starve her.

What is the Duluth Wheel?

The Duluth Wheel is a diagram that depicts the cyclical nature of domestic violence. It identifies eight tactics used by perpetrators to maintain power and control over their victims, including:

- Intimidation
- Economic abuse
- Emotional abuse
- Isolation
- Minimizing, denying, and blaming
- Using children
- Coercion and threats
- Physical violence

How Does the Duluth Wheel Work in Re-Education?

Re-education programs based on the Duluth Wheel focus on empowering victims by:

- Increasing their understanding of the power imbalances and manipulation tactics used by perpetrators
- Encouraging them to develop safety plans and seek support
- Providing resources and support services

For perpetrators, the Duluth Wheel helps:

- Hold them accountable for their actions
- Understand the impact of their violence on their victims
- Develop skills to address the underlying power dynamics that contribute to domestic violence

What are the Benefits of the Duluth Wheel?

The Duluth Wheel offers several benefits for domestic violence re-education, including:

- It provides a comprehensive framework for understanding the dynamics of domestic violence.
- It empowers victims to break the cycle of violence.
- It holds perpetrators accountable for their actions.
- It helps reduce the risk of future violence.

How Can the Duluth Wheel Be Implemented?

The Duluth Wheel is implemented in a variety of settings, including:

- Domestic violence shelters
- Court-ordered re-education programs
- Community-based organizations
- Schools and workplaces

By providing a holistic approach to domestic violence re-education, the Duluth Wheel empowers victims, holds perpetrators accountable, and contributes to safer communities.
