**Can a 12 year old read Wuthering Heights?** It's not a "hard" read exactly, and Wuthering Heights had way more vocabulary than this, BUT this isn't an "easy" read, that said. If a 12 year old is at a higher reading level, and has a good grasp of vocabulary, then yes they could read it.

**Why doesn't Catherine marry Heathcliff?** Catherine does not marry Heathcliff in Wuthering Heights because she sees better opportunities for herself and him by marrying Edgar Linton. Catherine falls in love with Heathcliff, and he loves her but is angry when he overhears her say that she cannot marry him because he is uncivilized and of lower social standing.

**What are the important questions from Wuthering Heights?**

**Where does Earnshaw originally find Heathcliff?** A foundling discovered on the streets of Liverpool and raised by the Earnshaw family of Wuthering Heights in Yorkshire, Heathcliff's past and early childhood before his mysterious adoption are only hinted at by Brontë.

**Is Heathcliff older than Cathy?** Lockwood estimates Heathcliff as about forty and Cathy as not yet seventeen. Zillah has only been living at Wuthering Heights a year or two.

**Can a 14 year old read Jane Eyre?** I think this book can be read at younger ages, by advanced readers 9-10 years old, but I think on an emotional level it is better to read it later. I read it at 14 and it resonated on a deep intellectual emotional and psychological level.

**Did Heathcliff sleep with Catherine?** As noted above, there does not seem to be any evidence that Catherine ever slept with Heathcliff so we can be reasonably certain that Cathy was Edgar's.

**Did Heathcliff actually love Catherine?** In this book, the hero Heathcliff not only has a sincere and passionate love for the heroine Catherine, but also has strong ambition in jealousy and revenge. The contradictory and complicated tragic love story between Heathcliff and Catherine makes Wuthering Heights become a masterpiece in English literature.

**Are Cathy and Heathcliff in a toxic relationship?** It's true that having been raised as siblings, Heathcliff and Cathy's infatuation is laced with a queasy tug of incest. But even without that, their relationship can easily be read as obsessive, destructive, co-dependent – in a word, toxic. Maybe it's best not to think of Wuthering Heights as a romance at all.

**What reading age is Wuthering Heights?**

**Is Wuthering Heights child friendly?** WARNING: do not read before bed; it is rather creepy at times and may cause nightmares. This title has: Educational value. Too much violence.

**Can a 12 year old read cruel prince?** nina zenik 97 This book is categorized as YA and it's more on the romantic side of the genre. 13-16 year olds can definitely read it, but more mature 11 year-olds and adults can enjoy it too. There's a bit more intimate romance in the later books, but not much, and for the most part, this is readable for all ages.

**Is there anything inappropriate in Wuthering Heights?** Violence & Scariness  
There's not a quantity of gore, but the violence is cruel and disturbing. The continual struggle between young Heathcliff and his adoptive brother, Hindley, results in fist fights and rock throwing, and their relationship does not improve with age.
