What's So Amazing About Grace: A Study

1. What is grace?

Grace is the unmerited favor of God. It is a gift that cannot be earned or deserved. It is the power of God that enables us to live above our circumstances.

2. Why do we need grace?

We all need grace because we are all sinners. We have all fallen short of the glory of God (Romans 3:23). The penalty for sin is death (Romans 6:23). But God, in His great love, has provided a way for us to be saved from our sins. He has sent His Son, Jesus Christ, to die on the cross in our place (John 3:16). Through Jesus' death and resurrection, we can be forgiven of our sins and reconciled to God.

3. How can we receive grace?

We can receive grace by faith in Jesus Christ. When we believe that Jesus died for our sins and rose again from the dead, we are saved by grace (Ephesians 2:8-9). We do not have to do anything to earn God's favor. We simply need to trust in Jesus.

4. What are the benefits of grace?

There are many benefits to receiving grace. When we are saved by grace, we are forgiven of our sins (Acts 10:43). We are adopted into God's family (Ephesians 1:5). We are given the Holy Spirit (Acts 2:38). We are empowered to live a holy and righteous life (Philippians 4:13). And we are assured of eternal life in heaven (John 3:16).

5. How can we grow in grace?

We can grow in grace by spending time in God's Word, by praying, and by fellowshiping with other Christians. As we grow in grace, we will become more like Jesus Christ. We will be more loving, compassionate, forgiving, and joyful. And we will be more effective in sharing the gospel with others.
