Under the Promise of Protection: John Bevere on Authority

Why is authority important in our lives? What role does it play in our growth and well-being? In his book, "Under the Promise of Protection," John Bevere explores the concept of authority and its essential nature in our spiritual journey.

Question 1: What is authority? **Answer:** Authority is the God-given right to govern, lead, and care for others. It originates from God himself, who has ordained authority throughout creation, from the family to the church.

Question 2: How does authority protect us? **Answer:** Authority shields us from harm and keeps us in alignment with God's purpose. When we submit to Godly authority, we receive guidance, warning, and protection from our own impulses and the influences of the world.

Question 3: What is the difference between authority and control? **Answer:** Authority is empowering and liberating, while control is oppressive. Authority respects boundaries and allows for freedom, whereas control manipulates and disrespects personal agency.

Question 4: How can we discern Godly authority? **Answer:** Godly authority is characterized by love, humility, and a willingness to serve others. It does not seek to dominate or exploit but rather to nurture and guide.

Question 5: What are the blessings of submitting to authority? **Answer:** When we submit to Godly authority, we experience peace, favor, and fruitfulness. We grow in wisdom, maturity, and purpose, and we fulfill the calling that God has placed on our lives.

In conclusion, authority is a fundamental aspect of our lives that provides protection, guidance, and enables us to reach our full potential. By understanding the true nature of authority and submitting to Godly authority, we unlock the blessings that God has promised to those who walk under the promise of protection.
