## [Download Complete File](#)

**What type of questions are asked in an IIM interview?** You are going to face questions like “Why do you want to go to our Institute?” “What are your future plans?” “What are your long-term goals?” etc. Be prepared to answer them well. So, prepare yourself beforehand with all the important and common MBA interview questions to be able to tackle the interview.

**How to prepare for IIM interview?**

**Is the interview of IIM tough?** A very important fact is that the interviewers are not testing your knowledge as much as they are testing your confidence in your own knowledge. It is important to have your basics in place and there is no way you can bluff in an IIM interview.

**How to introduce yourself in IIM interview?**

**Is IIM very tough?** There are high chances that you can fail in CAT, but failing in IIMs is very tough and need some extraordinary effort :P. What is more difficult, getting into IIMs or survival in the IIMs? If I go with my experience, getting into an IIM is way tougher than surviving there.

**Is 26 too late for IIM?** Ans: Yes. There are students with 10+ years work experience who have done 2 year full time MBA. There is also executive MBA course for students with 5+ years work ex.

**What is the etiquette for IIM interview?** Thus, it is very important that you make eye contact when you first meet the interviewer and shake hands. And during the

interview, it is important to make eye contact, not only when you talk, but also as you listen. Simply doing this interview strategy will greatly help your chances of success in an interview.

**What to wear for an IIM interview?** Ideally, you should wear a full business suit, with a tie as well. The shirt should be light coloured and the suit should generally be dark coloured, though that's not a strict norm. I have seen candidates coming for interviews without a suit as well, that is, just wearing shirt and pants.

**How long is an IIM interview?** The interview lasted for 20 minutes. Overall, it was more of a conversation than an interview. Most of the discussion was around my job, the published paper, and why MBA.

**Which is the hardest IIM to get into?** The total number of seats in all the IIMs is 5100. Which IIM is toughest to get into? Among all IIMs, securing admission to IIM Bangalore is the toughest.

**Can a poor guy study in IIM?** Yes, a student from a financially disadvantaged background can certainly pursue an MBA at the Indian Institutes of Management (IIMs).

**Can I join IIM without interview?** Q: How can I get selected into an IIM? A: To get selected for MBA programme of an IIM, one has to appear for CAT exam and clear selection rounds such as Written Ability Test (WAT) or Group Discussion (GD) and Personal Interview (PI). One has to score above 95 percentile and clear all the selection rounds.

**Who takes IIM interviews?** IIM interviews are conducted by professors. Sometimes alumni also participate as panelists. Older IIMs have around 100 professors and thousands of alumni, so there is enough variety every year in terms of interviewers!

**Should you shave for IIM interview?** Would it be wrong if I went for an IIM interview without shaving, that is, having a thick beard? No. There is nothing wrong in having a beard and attending an interview. But all you need to take care is that your beard is well groomed.

**What is the best answer for "Tell me about yourself"?** A: The best answer for "Tell me about yourself" is to briefly talk about your background, experience, and

skills relevant to the job.

**Is IIM as prestigious as IIT?** Both IIMs and IITs are prestigious institutions offering world-class education and facilities. This is why aspiring professionals often find themselves at a crossroads, faced with a significant decision: pursue an MBA from the prestigious IIMs or opt for the equally esteemed IITs.

**Is IIM more difficult than IIT?** Getting into an IIM is equally tough as getting into an IIT. One has to clear the set cut-offs in CAT which is one of the toughest management entrance exams. For CAT approximately 2,50,000 people register for 20,000 seats in IIMs. So, the competition is fierce for getting into an IIT.

**Can I get IIM with 60% in 12th?** Data suggests that if you've scored below 80% in 12th, your chances of getting into IIM Lucknow are severely diminished, though not zero. However, a score below 60% in either 10th, 12th and/or graduation is almost a guarantee of not getting a shortlist from IIM Lucknow.

**What is the right age to join IIM?** Working Professionals and Entrepreneurs with a minimum of 3 years of full-time work experience, after completion of graduation, as on June 30, 2024. Minimum Age of 24 years as on June 30, 2024 (i.e. must be born on or before June 30, 2000.) There is no upper age limit.

**Is MBA worth it after 40?** An MBA is valuable at any age if you're in it to develop a skillset, try something new, and become a more well-rounded leader, manager, or individual contributor. For an older student with more experience, an MBA may be more about building a new muscle and staying on-trend than making a big move.

**Is 50 too old for an MBA?** The short answer is that there is no such thing as too old. You can decide to pursue your MBA at any age if it makes personal and professional sense to do so.

**Is there a dress code for an IIM interview?** Is there any dress code for IIM interview? IIMs don't generally specify a dress code for interviewees. However, it does state a broad guidelines for its MBA students, as in encouraging formal dress-up. So, if you are going for an IIM interview, it is expected that you wear formals.

**Does IIM have dress code?** Yes. It is business casual attire for classes and informal dress for the rest of the time. You can wear appropriate attire for sports.

**Can a bad profile get into IIM?** If you don't have a solid profile ( 9/9/9 36 months workex) [deviation of upto 20% from this is accepted as a good profile ] and scored well in cat ( or would ), there is no shame in accepting offers from new IIMs.

## **Wood Technology and Processes Student Workbook Answers**

Wood technology and processes involve the various techniques and methods used in working with wood to create products. The student workbook for this subject

covers a range of topics including woodworking machinery, joinery techniques, wood finishing, and wood identification.

**Paragraph 1:**

**Question:** What are the main types of woodworking machinery used in a workshop?

**Answer:** Jointing machines, planers, bandsaws, circular saws, routers, shapers, and lathes are among the primary types of woodworking machinery found in a typical workshop. These machines are used for cutting, shaping, and smoothing wood.

**Paragraph 2:**

**Question:** Describe the different types of joinery techniques.

**Answer:** Joinery techniques connect pieces of wood together using interlocking joints. Common types include butt joints, miter joints, and mortise-and-tenon joints. Each technique has its strengths and weaknesses and is suitable for different applications.

**Paragraph 3:**

**Question:** What are the steps involved in wood finishing?

**Answer:** Wood finishing involves applying a protective or decorative layer to the wood's surface. It typically includes preparing the wood, applying a primer, and then a finish such as paint, varnish, or oil. The choice of finish depends on factors like desired appearance and durability.

**Paragraph 4:**

**Question:** How can wood be identified based on its characteristics?

**Answer:** Wood identification involves examining the wood's grain pattern, texture, color, and smell. Different species of trees produce wood with unique characteristics that can be used to distinguish them. For example, oak has a distinctive ring-porous grain pattern, while mahogany has a rich reddish-brown color.

**Paragraph 5:**

**Question:** What are the safety precautions to follow when working with wood?

**Answer:** Working with wood involves potential hazards such as sharp tools, machinery, and sawdust. Key safety precautions include wearing appropriate protective gear (e.g., eye protection, gloves), using sharp tools properly, and maintaining a clean and organized work area. Additionally, following proper woodworking techniques and adhering to established safety guidelines are crucial to minimizing accidents and injuries.
