Who owns Doosan Corporation? Hyundai purchased Doosan Infracore in August after Doosan Heavy Industries & Construction ran into financial trouble and decided to sell its construction equipment segment to pay off debt.

What company bought Daewoo? Sale of Daewoo to General Motors Finally, General Motors was the one who acquired Daewoo Motor's assets at \$1.2 billion in 2002. In 2002, Daewoo Commercial Vehicle Company was spun off from parent Daewoo Motor Co. Ltd.

SME Mining Engineering Handbook: 3rd Edition

The SME Mining Engineering Handbook, third edition, is a comprehensive reference work covering all aspects of mining engineering. It is a valuable resource for mining engineers, geologists, metallurgists, and other professionals involved in the mining industry.

What is the purpose of the SME Mining Engineering Handbook?

The handbook provides a comprehensive overview of the mining industry, covering everything from exploration and development to production and processing. It is intended to be a one-stop reference source for all professionals involved in the mining industry.

What are the major sections of the handbook?

The handbook is divided into seven major sections:

1. Introduction to Mining Engineering
2. Exploration and Development
3. Production and Processing
4. Environmental Management
5. Mine Safety and Health
6. Mine Management
7. Mining Economics and Finance

Who should use the handbook?

The handbook is intended for a wide range of professionals involved in the mining industry, including:

- Mining engineers
- Geologists
- Metallurgists
- Environmental engineers
- Mine safety and health professionals
- Mine managers
- Mining economists and financiers

How can I find more information about the handbook?

More information about the handbook can be found on the SME website:
<https://www.sme.org/publications/books/mining-engineering-handbook-third-edition/>.
