What is the main point of winning Tim Grover? Grover talks about the importance of knowing how to think for yourself, as opposed to being told what to do and accepting the norm. How to go from good to great to unstoppable? Being physically gifted can make you great, but being more mentally fit than your peers is what makes you ultimately unstoppable. Every day, you have to do something you don't want to do. Every day. Challenge yourself to be uncomfortable, push past the apathy and laziness and fear.

What is the lesson of the book relentless? Relentless shows you how to trust your instincts and get in the Zone; how to control and adapt to any situation; how to find your opponent's weakness and attack. Grover gives you the same advice he gives his world-class clients—"don't think"—and shows you that anything is possible.

What is the plot of the relentless by Mark Greaney? Intelligence operatives around the world are disappearing. When a missing American agent re-appears in Venezuela, Court Gentry, the Gray Man, is dispatched to bring him in, but a team of assassins has other ideas. Court escapes with his life and a vital piece of intelligence.
