How to read Auden? As we indicated earlier, critics have suggested that Auden's poem should be read in contexts including the Spanish Civil War and the rise of Hitler in the 1930s. Examine details: get stuck on words, images, rhetorical figures, formal features such as rhyme and rhythm.

Why did Auden say poetry makes nothing happen? In its day, W. H. Auden's claim that "poetry makes nothing happen" was a necessary reproof to an ideologically mandated culture of protest that had a chokehold on the literary left in the 1930s, an example it remains important to consider today.
