What is the violent imagery in bayonet charge? 'Bayonet Charge' indirectly references the physical injuries inflicted during the First World War. Hughes personifies the 'air' saying that 'bullets smack the belly out of the air' so his 'bullets' do not directly 'smack' a human belly, but rather something far more universal - the air.

What is the message of bayonet charge? "Bayonet Charge" focuses on one character only—the soldier making that charge. Readers are never told who this soldier is fighting for, however, nor who his enemy is. This helps the poem's critique of war become more universal; the poem isn't condemning a certain side, but the act of war itself.

How is death presented in Bayonet Charge? However, in 'Bayonet Charge' the threat of death comes suddenly and unexpectedly to a sleeping soldier, and whilst in 'Charge of the Light Brigade' the soldiers are charging towards death, the lone soldier in 'Bayonet Charge' spends the poem desperately trying to run away from death.

What does his terror's touchy dynamite mean? His terror's touchy dynamite. The last line of the poem implies the soldier is about to lose control of his emotions. His fear seems to have become a weapon; he is driven by his 'terror', and this is what is driving him towards the enemy.

What is the difference between remains and bayonet charge? Although both poems emphasise the mental trauma war causes, they portray contrasting experiences of both soldiers at war.
