## [Download Complete File](#)

**Who was America's unofficial king of rock and roll?** There was a series of attempts to find—and a number of claimants to be—the "King of Rock 'n' Roll", a title that became most associated with Elvis Presley. This has been characterized as part of a process of the appropriation of credit for innovation of the then new music by a white establishment.

**What subjects did TV tend to present to the American audience in the 1950s?** During the 1950s, most programs ignored current events and political issues in favor of family-friendly domestic comedies, which featured White suburban middle-class families.

**How did the beat generation contribute to popular culture of the 1950s?** In the 1950s and 60s, the writers of the Beat Generation sought to spiritually and sexually liberate humanity, decriminalize drugs, and promote a counterculture lifestyle. The works of Beat authors Jack Kerouac, Allen Ginsberg, and William S. Burroughs proved to be very influential on rising musicians of the day.

**Who was the actual King of Rock and Roll?** "King of Rock and Roll" is a nickname most commonly associated with American singer Elvis Presley (1935–1977).

**When did the king of rock and roll died?** Elvis Presley may have died 47 years ago, but his legacy lives on as one of the greatest 20th century pop culture icons. On Aug. 16, 1977, Presley, was found dead at his Graceland mansion in Memphis. He was 42.

**How did TV shape American culture in the 1950s?** Children's Programming Shows such as The Mickey Mouse Club and Howdy Doody, entertained millions of American tykes. During the 1950s, few households owned more than one television, so viewing became a shared family event. Even the American diet was transformed with the advent of the TV dinner, first introduced in 1954.

**What was the #1 television show during the 1950s?**

**Who were two famous beat writers?** The core group of Beat Generation authors—Herbert Huncke, Ginsberg, Burroughs, Lucien Carr, and Kerouac—met in 1944 in and around the Columbia University campus in New York City.

**What did the Beat Generation reject?** To put it simply, the Beat Generation was a group of writers that emerged in the 1950s to reject literary formalism and the American culture built on capitalism and materialism.

**How did the Beatniks affect society?** They influenced many aspects of art, literature, music, film, fashion, and language. They also inspired many social movements and subcultures that followed them, such as the hippies, the counterculture, the New Left, the civil rights movement, the feminist movement, the environmental movement, and the LGBT movement.

**What did the Beat Generation want?** The Beats and their advocates found the joylessness and purposelessness of modern society sufficient justification for both withdrawal and protest. Beat poets sought to transform poetry into an expression of genuine lived experience.
