Do numbers have meaning in Islam? Numerology is not an Islamic practice. It is a practice of disbelievers. "Narrated Abdullah ibn Mas'ud: The Prophet (?) said: Taking omens is polytheism; taking omens is polytheism.

The Metamorphosis and Other Stories: A Literary Masterpiece by Franz Kafka

Franz Kafka's "The Metamorphosis and Other Stories" is a collection of 15 short stories, including the iconic novella "The Metamorphosis." Published posthumously in 1915, the stories showcase Kafka's unique brand of existentialism and absurdity.

1. What is the central theme of "The Metamorphosis"?

"The Metamorphosis" tells the tale of Gregor Samsa, a salesman who wakes up one morning transformed into a giant insect. The story explores themes of alienation,

isolation, and the fragility of human identity.

2. What are the other stories in the collection?

Some of the other notable stories in the collection include:

- "A Hunger Artist": A tale about a fasting artist who struggles for recognition.
- "In the Penal Colony": A dystopian story about a brutal punishment device.
- "The Judgment": A father condemns his son to death in a letter.

3. What is Kafka's literary style?

Kafka's writing is known for its dreamlike atmosphere, surreal imagery, and detached prose. He often uses metaphor and allegory to explore complex psychological and social issues.

4. What is the significance of the collection?

"The Metamorphosis and Other Stories" is considered one of the most important works of 20th-century literature. It has been widely studied and interpreted, influencing countless writers and artists.

5. Where can I find the collection?

"The Metamorphosis and Other Stories" is available in various formats, including hardcover, paperback, and audiobook. It can be found in most bookstores and online retailers.
