What is the if not winter fragments of Sappho about? Summary: Anne Carson's translation of Sappho's fragments, entitled *If Not, Winter*, offers various portrayals of human emotions including love and its effect on an individual. Sappho's *If Not, Winter*, explores how the damaging nature of love both physically and emotionally affects an individual.

Why is it called "if not winter"? The title comes from Carson's translation of Sappho's fragment 22. *If Not, Winter* uses the Greek text of Eva-Maria Voigt's Sappho and Alcaeus with a few variations.

What happens in fragment 16 of Sappho? Sappho 16 is a love poem – the genre for which Sappho was best known – which praises the beauty of the narrator's beloved, Anactoria, and expresses the speaker's desire for her now that she is absent.

How many fragments are in Sappho? The poem is the rarest of discoveries. Sappho's pre-eminent reputation as an artist of lyricism and love is based on only three complete poems, 63 complete single lines and up to 264 fragments.

What is the main theme of the poem by Sappho? Sappho was one of the earliest poets to write vivid and emotional poetry in the first person. Her most common subjects were love and the strong emotions and gestures, such as passion, jealousy,

affection, and hatred. Her poems were recited accompanied by a lyre, which heightened their emotional impact.

What does Sappho ask Aphrodite? Sappho asks the goddess to ease the pains of her unrequited love for this woman; after being thus invoked, Aphrodite appears to Sappho, telling her that the woman who has rejected her advances will in time pursue her in turn.

Why is it wintry not wintery? “Wintry” is an adjective we use to describe something that relates to winter or is chilly or frigid. “Wintery” is another way to spell “wintry,” but even though it's not incorrect, it's far less common than “wintry.”

Why is it named winter? The word "winter" itself comes from the German word and means "time of water", referring to the heavy amounts of precipitation in this season.

Why is it called winter is coming? Winter is coming essentially means that “hard times are ahead” and to prepare yourself. This is important for the Starks as their land is in the North, where winter hits the hardest. It's a metaphor. It basically means bad things are coming, so you better be prepared.

What is the most beautiful thing on the black earth? Some say an army of cavalry or of infantry or a fleet of ships is the most beautiful thing on the black earth. But I say it is whatever one loves. Just as the sweet-apple reddens on the high branch, high on the highest, and the apple-pickers missed it, or rather did not miss it out, but could not reach it.

What does Sappho say about Helen? Sappho invokes Helen, who “far surpassed mortals in beauty,” as the paragon of her hypothesis. Helen abandons her “best of all husbands,” her child, and her “dear parents” in pursuit of eros, which must, in Sappho's logic, be the most beautiful thing if it can eclipse the aforementioned.

How much of Sappho's poetry survived? Sappho probably wrote around 10,000 lines of poetry; today, only about 650 survive. She is best known for her lyric poetry, written to be accompanied by music. The Suda also attributes to her epigrams, elegiacs, and iambics; three of these epigrams are extant, but are in fact later Hellenistic poems inspired by Sappho.

Who did Sappho marry? A fragment from Sappho that is dedicated to Charaxus has survived. One of her poems mentions a daughter named Cleis or Claïs. According to legend, Sappho was married to Cercylas, a wealthy man from the island of Andros.

Who destroyed Sappho's poetry? It has often been suggested that it was this love of girls that led to the systematic destruction of Sappho's poetry in the Middle Ages. There is a widespread tradition that, in 1073, Pope Gregory VII ordered that all of Sappho's works be burnt in Rome as well as in Constantinople.

What did Sappho believe in? Frustrations of love, marriage, sexuality, oppression, and confusion over a changing world around her are believed to be the focus of her works. She composed wedding songs admiring brides to be. She also expressed ideas of feelings toward loss of virginity due to marriage.

Was Sappho a real person? Sappho of Lesbos (l. c. 620-570 BCE) was a lyric poet whose work was so popular in ancient Greece that she was honored in statuary, coinage, and pottery centuries after her death. Little remains of her work, and these fragments suggest she was gay.

How many fragments does Sappho have? Sappho probably wrote around 10,000 lines of poetry; today, most of that is lost. Only about 650 lines survive. A couple of complete poems and about two hundred fragments are all that remain of the nine substantial books, in diverse genres and meters, that she produced.

What cannot be said will be wept.? It has been said that Sappho wrote "What cannot be said will be wept." Like Pablo Neruda, I could write the saddest lines tonight. "Who can say what happens between us and the stars? They give their light, and many years later, we receive it.

What is the most popular Sappho poem? Fragment 31 is one of Sappho's most famous works – according to Emmet Robbins, "probably the single most famous poem to come down from Antiquity". It is one of her most frequently adapted and translated poems, and has been the subject of more scholarly commentary than any other of her works.

What does sweet mother I Cannot weave mean? Sweet mother, I cannot weave – slender Aphrodite has overcome me. with longing for a girl. The weaver must be a daughter addressing her mother about the girl's erotic desire for some young person. Based on Sappho's use of this noun and her homoerotic poems, it seems to me most likely to refer to desire for a girl.

What is the symbol of Sappho? While translations vary, it's thought that the violets were worn by a possible lover of Sappho, either in her hair as a 'violet tiara' or around her neck like a necklace. This image, eternally preserved in poetry, led to purple flowers being linked with female desire – an association which has endured for centuries.
