## **Wheels in Motion Defensive Driving Quiz Answers**

Defensive driving is a crucial skill that can help drivers avoid accidents and stay safe on the road. The "Wheels in Motion" defensive driving quiz is an excellent tool for testing your understanding of defensive driving techniques. Here are the answers to the quiz questions:

**Question 1: What is the most important factor in defensive driving?** Answer: Anticipation

**Question 2: What should you do when approaching a car that is driving erratically?** Answer: Slow down, increase following distance, and be prepared to take evasive action

**Question 3: What is the "three-second rule"?** Answer: To maintain a following distance of three seconds from the vehicle ahead, in case of sudden braking

**Question 4: When is it best to use your horn?** Answer: Only when absolutely necessary, such as to prevent an accident

**Question 5: What should you do when driving in bad weather?** Answer: Reduce speed, increase following distance, and use headlights and wipers as appropriate

### **Additional Defensive Driving Tips:**

- **Be aware of your surroundings:** Pay attention to other vehicles, pedestrians, and potential hazards.
- **Drive defensively:** Anticipate the actions of others and be prepared to react accordingly.
- **Control your speed:** Adjust your speed to the road conditions and traffic.
- **Maintain a safe following distance:** Allow ample space between your vehicle and the one in front.
- **Be polite and courteous:** Avoid aggressive driving and show respect for other road users.

By following these defensive driving techniques, you can significantly reduce your risk of being involved in an accident. Remember, defensive driving is not about avoiding tickets, but about protecting yourself and others on the road.

## **The Relationship Cure: A 5-Step Guide to Strengthening Your Marriage, Family, and Friendships**

By John M. Gottman

In his book "The Relationship Cure," renowned relationship expert John M. Gottman outlines a five-step guide to building and maintaining healthy relationships.

### **Step 1: Identify and Address Negative Patterns**

- **Q:** What are the toxic communication patterns in your relationships?
- **A:** Gottman identifies four "horsemen of the apocalypse": criticism, defensiveness, contempt, and stonewalling. Address these patterns by using "I" statements, listening actively, and seeking support.

### **Step 2: Build a Culture of Appreciation**

- **Q:** How often do you express gratitude for your loved ones?
- **A:** Express appreciation regularly through words, actions, and gifts. Focus on specific behaviors or qualities, and avoid using generic or vague expressions.

### **Step 3: Break Down Barriers**

- **Q:** What obstacles are preventing you from connecting with your loved ones?
- **A:** Identify and address barriers such as work stress, financial worries, or past conflicts. Make time for quality conversations, engage in shared activities, and seek professional help if needed.

### **Step 4: Manage Conflict Constructively**

- **Q:** How do you typically handle disagreements in your relationships?

- **A:** Implement Gottman's "soft startup" technique: Begin by expressing empathy and understanding, and avoid attacking your partner. Focus on specific issues, use respectful language, and take breaks as needed.

### Step 5: Stay Connected

- **Q:** How do you maintain intimacy and connection over time?
- **A:** Schedule regular date nights, engage in meaningful conversations, and share dreams and aspirations. Make physical touch a priority, and cultivate a sense of adventure and shared experiences.

By following these five steps, you can create a more fulfilling and lasting relationship with your spouse, family, and friends. Remember that relationships require ongoing effort and commitment, but the rewards are immeasurable.
