Jawaban: Sumber-sumber tentang Aswaja dapat ditemukan di berbagai perpustakaan dan toko buku Islam. Selain itu, banyak juga sumber online yang menyediakan informasi tentang Aswaja, seperti situs web Nahdlatul Ulama (NU) dan Muhammadiyah.

Soal-soal dan Pembahasan Matematika Dasar SNMPTN 2010

Paragraf 1 Soal 1: Jika $x + y = 5$ dan $xy = 6$, maka $x^2 + y^2 = \dots$ **Jawaban:** 25

Paragraf 2 Soal 2: Sebuah prisma segitiga mempunyai alas berbentuk segitiga siku-siku dengan panjang sisi-sisinya 3 cm, 4 cm, dan 5 cm. Jika tinggi prisma 10 cm, maka volume prisma adalah **Jawaban:** 100 cm^3

Paragraf 3 Soal 3: Diketahui barisan geometri dengan suku pertama 8 dan rasio 2. Jumlah tiga suku pertama barisan tersebut adalah **Jawaban:** 56

Paragraf 4 Soal 4: Jika $\sin \theta = \frac{3}{5}$, maka $\tan \theta = \dots$ **Jawaban:** $\frac{4}{3}$

Paragraf 5 Soal 5: Diketahui $f(x) = 2x - 5$ dan $g(x) = x^2 + 3$. Hasil dari $(f \circ g)(x)$ adalah **Jawaban:** $2x^2 - 13$

Women and Gender in Islam: Historical Roots of a Modern Debate

By Leila Ahmed

Questions and Answers:

Q1. What is the central argument of Leila Ahmed's book, "Women and Gender in Islam"? A1. Ahmed argues that the subordinate status of women in Muslim societies is not rooted in Islam itself but in historical and cultural factors that have shaped its interpretation and practice over time.

Q2. How does Ahmed trace the origins of this subordination? A2. Ahmed traces the origins to the pre-Islamic Arab society, where women had limited rights and opportunities. This patriarchal culture influenced the early Islamic community, as many prominent Muslims were converts from Arab tribes.

Q3. What role did Islamic legal scholars play in shaping gender roles? A3. Islamic legal scholars played a significant role in defining gender norms and establishing legal frameworks that constrained women's rights. They often relied on pre-Islamic customs and their own interpretations of the Quran to justify their rulings.

Q4. What impact did the rise of empires and dynastic rule have on women's status? A4. The rise of empires and dynastic rule in the Middle East further reinforced gender hierarchies. Women were increasingly confined to the domestic sphere and lost many of the educational and economic opportunities they had enjoyed in earlier periods.

Q5. How does Ahmed's analysis contribute to the ongoing debate on women and gender in Islam? A5. Ahmed's analysis provides a historical perspective on the subordination of women in Muslim societies, challenging the notion that it is inherent to Islam itself. Her work has helped to shift the debate towards a more nuanced understanding of the complex factors that have shaped gender relations in Muslim cultures.
