Is Carolina a US state? North Carolina, constituent state of the United States of America. One of the 13 original states, it lies on the Atlantic coast midway between New York and Florida and is bounded to the north by Virginia, to the east by the Atlantic Ocean, to the south by South Carolina and Georgia, and to the west by Tennessee.

Why is Carolina split? As the two locales evolved separately and as their differing geographies and inhabitants steered contrasting courses, calls for a formal split emerged. In 1712, North Carolina and South Carolina became distinct colonies. Each prospered in its own right after this peaceful divorce took effect.
