**What did Alexander the Great teach us?** In later years, Alexander, sticking to his word, even succeeded in expanding Porus' Kingdom, under his reign. In another of the key lessons from the man, he taught us that through his mercy and Alexander's decision to create a win-win relationship, he can achieve his goals whilst allowing others to benefit together.

**How did Alexander the Great change the world?** Although king of ancient Macedonia for less than 13 years, Alexander the Great changed the course of history. One of the world's greatest military generals, he created a vast empire that stretched from Macedonia to Egypt and from Greece to part of India. This allowed for

Hellenistic culture to become widespread.

**What are 3 things about Alexander the Great?** Alexander the Great was one of the greatest military strategists and leaders in world history. He was also ruthless, dictatorial, and ambitious to the point of regarding himself as divine. His conquests of the Mediterranean states, the Persian empire, and parts of India spread Hellenistic culture across these regions.

**Why was Alexander the Great so successful?** Alexander's military positioning ensured that his troops would not be outflanked; further, his phalanx, armed with long pikes, had a considerable advantage over the Persians' scimitars and javelins. Macedonian losses were negligible compared to those of the Persians.

**What did Alexander the Great fight for?** As king, Alexander successfully conquered the first Persian Empire, extending Macedonia's territories as far as modern-day Pakistan and India. During those campaigns, he spread Greek culture across the Middle East, boosting the development of Hellenistic culture after his death in 323 BCE.

**What was Alexander the Great's last wish?** 1) The king of Macedon said, "My physicians alone must carry my coffin." 2) "I desire that when my coffin is transported to the grave, the path leading to the graveyard shall display the wealth I collected," the king said. 3) "My third and last wish is that both my hands hang out of my coffin," Alexander said.

**What legacy did Alexander the Great leave?** More importantly, Alexander's conquests spread Greek culture, also known as Hellenism, across his empire. In fact, Alexander's reign marked the beginning of a new era known as the Hellenistic Age because of the powerful influence that Greek culture had on other people.

**How did Alexander the Great cause his empire to fall?** Some historians say Alexander died of malaria or other natural causes; others believe he was poisoned. Either way, he never named a successor. His death—and the bloody infighting for control that happened afterwards—unraveled the empire he'd fought so hard to create.
