Who inherited Tolstoy's estate? On October 28, 1910, shortly before he died, Tolstoy decided to leave Sofia Andreevna and Yasnaya Polyana for the last time. In his will, he asked that the family's land be given to the peasants.

Where was Tolstoy assassinated? "Tolstoy died in November 1910 at the provincial train station of Astapovo, under what can only be described as strange circumstances," I typed.
