### **326 IAC 2-7-1-21 PDF: Frequently Asked Questions**

The Indiana Administrative Code (IAC) 326 IAC 2-7-1-21 PDF is a document that establishes standards for the design and construction of stormwater management systems in Indiana. It is a comprehensive document that covers a wide range of topics, including:

- Stormwater management goals and objectives
- Design criteria for stormwater management systems
- Construction requirements for stormwater management systems
- Inspection and maintenance requirements for stormwater management systems

### **What are the goals of the 326 IAC 2-7-1-21 PDF?**

The goals of the 326 IAC 2-7-1-21 PDF are to:

- Reduce the amount of stormwater runoff from developed areas
- Improve the quality of stormwater runoff
- Protect water resources from the harmful effects of stormwater runoff

### **What are the design criteria for stormwater management systems under the 326 IAC 2-7-1-21 PDF?**

The design criteria for stormwater management systems under the 326 IAC 2-7-1-21 PDF include:

- The system must be designed to capture and treat a certain amount of stormwater runoff
- The system must be designed to prevent flooding and erosion
- The system must be designed to be safe and accessible for maintenance

### **What are the construction requirements for stormwater management systems under the 326 IAC 2-7-1-21 PDF?**

The construction requirements for stormwater management systems under the 326 IAC 2-7-1-21 PDF include:

- The system must be constructed according to the approved plans and specifications
- The system must be constructed using materials that are compatible with the intended use of the system
- The system must be constructed in a manner that minimizes environmental impacts

### **What are the inspection and maintenance requirements for stormwater management systems under the 326 IAC 2-7-1-21 PDF?**

The inspection and maintenance requirements for stormwater management systems under the 326 IAC 2-7-1-21 PDF include:

- The system must be inspected regularly to ensure that it is functioning properly
- The system must be maintained on a regular basis to prevent clogs and other problems
- The system must be repaired or replaced if it is damaged or fails to function properly

### **Where can I find a copy of the 326 IAC 2-7-1-21 PDF?**

A copy of the 326 IAC 2-7-1-21 PDF can be found on the website of the Indiana Department of Environmental Management (IDEM):
