It is also important to note that hermeneutics includes the process of eisegesis.

**What are the three rules of hermeneutics?** The 3 basic laws of hermeneutics are: Law #1: As much as possible, Scriptures should be interpreted literally. **What is the golden rule in hermeneutics?** The golden rule of interpretation is: "When the plain sense of the scripture makes common sense, seek no other sense." Therefore, take every word at its primary, usual, meaning, unless the facts of the immediate context, studied in the light of related passages and fundamental truths, clearly indicate otherwise.

**What are the 4 C's of Christianity?** This paper examines the role of calling (doing what God wants you to), competence (being good at what you do), confidence (knowing what you can accomplish in the context), and character ("good" traits) with the purpose of showing that character, while important, is the fourth in the sequence of the four.

This means that we interpret it according to the intent of its authors and according to its literary style. The authors of Scripture wrote to communicate something specific, and our goal should be to discern what they intended to communicate.
