**What is the purpose of once by Morris Gleitzman?** The power of storytelling is a theme throughout the novel. Felix uses stories to inspire and give strength and hope to himself and others. Once by Morris Gleitzman is an inspirational story, showing the power of love and hope in a very dark period in history.

**What age is once Morris Gleitzman appropriate for?** He also saved a girl from a burning house (Zelda). I would recommend it to people over the age of 9 or 10 because it is about death and Adolf Hitler. Parents would like this book as well, and it is also good for people who like history.

**What is Once Morris Gleitzman Super about?** Set in Poland during World War II, the story follows Felix, a 10-year-old Jewish boy being hidden from the Nazis in a Catholic orphanage, as he embarks on a quest to find his parents. Gleitzman was inspired by the true experiences of the Polish-Jewish educator and author Janusz Korczak during the Holocaust.

**In what order do you read the Once series?**

**Why is the book "Once" so good?** Morris Gleitzman brings heart and humour to the difficult subject of the Holocaust in this ground-breaking children's book. Told in simple yet powerful language, his story reveals the redemptive power of stories and the potential for humanity and hope even in the most tragic times.

**What is the moral of the book "Once"?** In Once, storytelling blinds people to danger—but it also protects them, helps them endure pain, and gives them courage, which ultimately makes it a force for good. The novel's protagonist, Felix, is a young, story-loving Jewish boy living in Nazi-occupied Poland during the Holocaust.

**Why is once Rated R?** The movie's obscenity and brief profanity are seldom used in a brash, confrontational way. More often it is used as an adjective to add emphasis. While this may reflect what life is like in parts of Dublin, it reduces the potential audience for an otherwise entertaining story. Thus, extreme caution is advised.

**Why did Morris Gleitzman write the book once?** I knew from spending time with thousands of young people that this terrible and crucial part of our history was often not available to them and I believed it should be.
