**Which two hispanic communities created salsa music in New York?** Later on self-identified salsa bands were predominantly assembled by Puerto Rican and Cuban musicians in New York City in the 1970s.

**Is New York salsa an interpretation of Cuban music or is it a genre in its own right?** Salsa music is a unique genre of music, created by New York Puerto Ricans in the 1960s, strongly influenced by the Afro-Cuban son, African-American jazz, and Puerto Rican musical traditions.

**What genre of music was developed in New York City by immigrants from Latin America?** Salsa is a style of Latin music that incorporates multiple styles and variations. It was developed by mid-1960s groups of New York City-area Cuban and Puerto Rican immigrants to the United States, such as Machito and Tito Puente, with later variants such as salsa dura.

**Which style of Latin music became popular in New York City and was a mix of rhumba mambo and other black pop music?** Originally from Cuba and Puerto Rico, Salsa evolved within the Latino community in New York, becoming a distinct style. It is a fusion of Caribbean dances like the Cha cha cha, Rumba, Mambo, Cumbia, and Festejo.

**Who created salsa in New York City?** Afro-Cuban music spread throughout Latin America, notably to Mexico. However, New York City became the forge for its transformation into salsa, beginning in the 1940s with the contributions of the

orchestra led by Cuban émigré Machito (Frank Grillo), which blended Afro-Cuban styles with jazz and big band approaches.

**Is salsa Puerto Rican or Cuban?** Cuban and Puerto Rican Roots: Salsa originated in the Caribbean, primarily Cuba and Puerto Rico, in the early 20th century. It evolved from earlier Cuban dance forms such as Son Cubano and Afro-Cuban dance like Rumba.

**What is the difference between Cuban salsa and New York salsa?** Cuba-style salsa, unlike New York or LA-style, is danced in a circular motion similar to East Coast Swing, rather than in a line. The turn patterns in Cuban salsa typically are in a constant circular motion, with lots of hand tricks and movements.

**Is salsa from New York or Cuba?** It originated in the late Eastern Cuba and gained popularity in New York in 1960. Salsa is a mixture of Cuban dances, such as mambo, pachanga, and rumba, as well as American dances such as swing and tap.

**Who invented salsa music?** Johnny Pacheco popularized a New York version of Cuban dance music by founding a label, Fania Records, and a troupe of performers, the Fania All Stars, in the 1960s. He called it all “salsa”—the music, the dancing, the culture as a whole—and the term has stuck.

**What music is uniquely American?** Similarities Between Blues and Jazz Both were inventions of African Americans, who combined African musical concepts with European musical concepts, thus making these both uniquely American music genres.
