**Social Work Case Scenarios and Answers**

**Question 1:**

A single mother of three young children comes to you for assistance. She is struggling financially and is worried about providing for her family's basic needs.

**Answer:**

- **Assess the family's immediate needs:** Food, shelter, clothing, and healthcare.
- **Explore community resources:** Food banks, housing assistance programs, and government benefits.
- **Provide support and counseling:** Help the mother cope with the challenges she faces and develop problem-solving skills.
- **Connect her with job training and support services:** To improve her financial stability in the long term.
- **Monitor the family's progress:** Continue to provide support and ensure that their needs are met.

**Question 2:**

A child is being bullied at school. The teachers are aware of the situation but have been unable to stop it.

**Answer:**

- **Talk to the child:** Discuss the bullying, its impact, and safety concerns.
- **Mediate with the bully:** Try to resolve the conflict and address the underlying causes.
- **Work with the school:** Advocate for the child's safety and implement anti-bullying policies.
- **Provide support to the child:** Offer counseling or support groups to help them cope with the emotional impact.
- **Document the situation:** Keep a record of incidents and communication with school staff and parents.

**Question 3:**

An elderly couple is struggling to live independently and is at risk of being placed in a nursing home.

**Answer:**

- **Assess their needs:** Physical, mental, and social well-being, as well as home environment.
- **Explore community resources:** Meal delivery programs, home health services, and adult day care centers.
- **Provide support and training:** Help the couple with activities of daily living and safety measures.
- **Advocate for their wishes:** Respect their desire to remain independent and work towards fulfilling it.
- **Monitor their progress:** Regularly check in on the couple and make adjustments as needed.

**Question 4:**

A young adult with a history of substance abuse is seeking support. They have recently relapsed and are feeling hopeless.

**Answer:**

- **Assess their current situation:** Level of intoxication, physical and mental health, and support system.
- **Provide crisis intervention:** Offer immediate safety, emotional support, and referral to detox if necessary.
- **Develop a treatment plan:** Collaborate with the client to establish goals, identify resources, and create a relapse prevention strategy.
- **Provide ongoing support:** Regular check-ins, counseling, and support groups to maintain sobriety and address underlying issues.
- **Encourage community involvement:** Connect the client with sober support groups and other recovery-oriented organizations.

**Question 5:**

---

A family member is struggling with depression. They refuse to seek professional help and are becoming increasingly withdrawn.

**Answer:**

- **Approach with empathy:** Validate their feelings and acknowledge their reluctance to seek help.
- **Educate them:** Discuss the benefits of professional treatment and dispel any stigma or misconceptions.
- **Provide support and resources:** Offer to accompany them to appointments or connect them with support groups.
- **Monitor their safety:** Assess their risk of self-harm and take appropriate precautions.
- **Respect their boundaries:** While encouraging help-seeking, respect their decision if they decline professional services.
