### **1. How can I find inner peace in a busy world?**

"Be still and know that I am God." - Psalm 46:10 Find moments throughout your day to pause and reconnect with your inner self. Through meditation, prayer, or simply spending time in nature, cultivating stillness can bring a sense of peace and clarity.

### **2. How do I make wise decisions when time is limited?**

"The wise man deliberates and then acts; the fool acts and then deliberates." - Aristotle When faced with important decisions, take time to gather information, reflect on your values, and consider the potential consequences. Impulsive actions often lead to regret, while well-thought-out decisions provide a solid foundation for the future.

### **3. How can I stay connected to what truly matters?**
