**Why read murder mystery books?** Entertainment: Mystery and crime novels can be very entertaining and gripping. Readers can become engrossed in the story and feel a sense of satisfaction when the mystery is solved or the criminal is caught. Escapism: Reading about crime and mystery can be a form of escapism for some people.

**Is a murder mystery a thriller?** Still, both suspense and mystery can be thrillers. A good way to itemize these would be a suspense thriller could very well land you reading a novel about Jack Reacher, while a mystery thriller can have you following the paths of Inspector Poirot.

**Why do girls like murder mysteries so much?** Why? The most obvious answer is that death ups the ante, makes it something worth thinking about, worth puzzling over. Reading about death (and especially, perhaps, violent death) allows us to vicariously experience something that we're afraid of and—most of the time—don't talk about.

**Who is the best murder mystery writer of all time?**

**What is the difference between mystery, thriller and suspense books?** So here are the key takeaways: Mystery is about the puzzle. Thriller is the push and pull between the protagonist and the villain. Suspense is about tension and what may happen. It can be present in any genre.

**What is the difference between a crime novel and a thriller book?** The big difference between these two genres is in how the story is told: in crime fiction novels the crime has been committed and then the characters have to find out who did it, however, in a thriller the criminal is usually introduced at the beginning and the whole book keeps the readers at the end of the seat ...

**Do thrillers count as horror?** Thrillers should be fast-paced and involve intricate plots, twists and turns – just like a rollercoaster. While they might create a bloody scene with a dead body or a monster, thrillers tend to rely less on blood and gore than horror movies, instead focusing on building anticipation and suspense.

**Why do I fall asleep to true crime?** It seems that the answer to why some women fall asleep from listening to true crime lies between the calmness they experience from hearing soothing voices and the protection they feel from “knowing how to catch criminals” and prepare themselves for the unexpected.

**Why am I so obsessed with murder mysteries?** The fascination with true crime stems from several causes, say experts from Carolina's schools of law and journalism. People are drawn to these sensational stories by curiosity about the motivations of the criminals, concerns about justice and the legal system and the thrill of solving a real-life whodunnit.
