**How many multiple choices are on the AP Lang exam?** Students often wonder how many MCQs are on the AP Lang exam. There are a total of 45 MCQs, with 23-25 “Reading” questions and 20-22 “Writing” questions.

## **How to improve AP Lang MCQ score?**

## **How to get a 5 on AP Lang multiple-choice?**

**What is harder, AP Lang or AP Lit?** The AP English tests are equally difficult, but for AP lit, you have to read many books and do deep learning for all of them. Therefore, it requires more time and patience. On the other hand, while AP lang needs less reading, the writing part is equal for both.

**Who was Frederick Douglass and what is he known for?** He became the most important leader of the movement for African American civil rights in the 19th century. After escaping from slavery in Maryland, Douglass became a national leader of the abolitionist movement in Massachusetts and New York, during which he gained fame for his oratory and incisive antislavery writings.

**How did Frederick Douglass gain his freedom from slavery?** Douglass disguised himself as a free Black sailor, a creditable ruse given the nautical knowledge he gained from working on the waterfront. He also knew that the deference shown to sailors in a seafaring city such as Baltimore could work to his benefit.

**When did Frederick Douglass escape slavery?** On September 3, 1838, abolitionist, journalist, author, and human rights advocate Frederick Douglass made his dramatic escape from slavery—traveling north by train and boat—from Baltimore, through Delaware, to Philadelphia. That same night, he took a train to New York, where he arrived the following morning.

**Can you get a 6 on AP Lang?** As mentioned above, the free-response section is scored on a scale of 0-6. The higher your score, the better it is for you. Here's a look at the Q2 Analysis Scoring Rubric, a handy table that gives a good break-down of what judges are looking for when awarding points for each essay.

**What is the shortest AP exam?** Hey there! I'd be happy to help you with your question about AP exams. The shortest AP exams are typically those without essays, and as of the last few years, the AP Physics C: Mechanics exam has been the briefest. It's only 90 minutes long, consisting of multiple-choice questions followed by free-response questions.

**What percent is a 5 on AP Lang?** 45-59% = 3. 60-74% = 4. 75% or more = 5.

**How to ace multiple-choice AP Lang?**

**How to get a 5 on all AP exams?**

**Is AP Lang multiple-choice like SAT?** However, there are some important differences. Test takers are given five answer choices instead of the four they'd see in SAT Reading. And all passages in the AP English Language Multiple Choice section are non-fiction, while SAT Reading contains a mix of fiction and non-fiction.

**How do you answer multiple choice questions on AP?** Determine your own answer before examining the choices OR—more typically—use process of elimination (and cross out the choices you know are wrong). Focus on the question's wording. Read all the choices. Don't select the first right answer when a later option is better.

**How do you answer multiple-choice AP literature questions?**

**What percent on the AP Lang multiple-choice is a 5?** As only 10 percent of AP candidates earn a “5” on the exam, it is reasonable to make it equally challenging to earn an “A” in the course.
