Geometry for 9th Class**

Geometry is a branch of mathematics that deals with the study of shapes and their relationships. In class 9, students will learn about basic shapes, such as lines, angles, triangles, circles, and cubes. They will also learn about the properties of these shapes, such as their areas, perimeters, and volumes.

Subjects for 9th Class in Maharashtra Board

The subjects for 9th class in Maharashtra Board are:

- Marathi
- English
- Hindi
- Mathematics
- Science
- Social Studies
- Sanskrit/French/Arabic/German (Optional)
