The Public Protection Classification is used to gauge the ability of a local fire department to respond to fires.

What are Stephen King's Needful Things about? The story focuses on a shop that sells collectibles and antiques, managed by Leland Gaunt, a new arrival to the town of Castle Rock, Maine, the setting of many King stories. Gaunt often asks customers to perform a prank or mysterious deed in exchange for the item they are drawn to.

What is Stephen King's scariest book?

Is *Needful Things* a good read? I rated this a 4.5 stars based on the mastery of story weaving, the wild-as-hell characters, the level of comedic horror and gore, and my overall enjoyment of this behemoth of a book. If you've contemplated reading any of King's books, I think *Needful Things* is a fine place to start or jump back in.

Is *Needful Things* related to *Salem's Lot*? *Needful Things* follows essentially the same story line as *Salem's Lot* and even shares similar character types.

What is Stephen King's favorite book to read? Some of his top book recommendations include *To Kill a Mockingbird* by Harper Lee, *1984* by George Orwell, *Lord of the Flies* by William Golding, and *Ghost Story* by Peter Straub.

What is considered to be Stephen King's best book? 1. *The Shining* (1977) Literary critics and fans often say that *The Shining* is one of King's most important novels, and with good reason. The story follows Jack Torrance, his wife, Wendy, and his son, Danny, to the ominous and haunted Overlook Hotel, located quietly along the edge of secluded mountains in Colorado.

What is Stephen King's most sold book? According to writingbeginner.com, *The Shining* by Stephen King is his best-selling book of all time.

Which Stephen King is the easiest to read?

What is a disturbing moment in Stephen King's books? *The Shining* The decision to have Jack disfigure his own face in such a brutal manner is a controversial one. In a disturbing display of self-mutilation, Jack Torrance, the protagonist of Stephen King's novel *The Shining*, disfigures his own face with a mallet at the height of his descent into madness.

What is the meaning of the word *Needful Things*? : necessary for a purpose. needfully. -f?-l? adverb. needfulness noun.

Why is *Needful Things* rated R? R For violence and strong language.

Are *Needful Things* slow? A true slow burn, *Needful Things* takes its time, both with the plot and the horror. Tension builds slowly but steadily, and as the characters

continue about their everyday lives, giving the reader a window into their realities, yet remain oblivious to the wickedness that's underway in their hometown, the dread mounts.

Do all of Stephen King's books connect? Answer and Explanation: Though not all of Stephen King's books are connected, many of them exist in the same fictional universe and/or reference his other works. For example, King sets numerous stories in the fictional towns Derry and Castle Rock, both of which are located in King's home state Maine.

What is the plot of Needful Things?

Is there a movie based on needful things? Needful Things is a 1993 American horror film based on Stephen King's 1991 novel of the same name. The film was directed by Fraser C. Heston (Charlton Heston's son; this is his only film without his father in the cast), and stars Ed Harris, Max von Sydow, Bonnie Bedelia, and J. T.
