**What is the point of The Secret Garden?** The Secret Garden emphasises the power of positive thinking: "thoughts – just mere thoughts – are as powerful as electric batteries – as good for one as sunlight is, or as bad for one as poison". **Is The Secret Garden book based on a true story?** No, The Secret Garden is not based on a true story. However, there are some parallels between The Secret Garden and the author's life. **What is the moral of the story *The Secret Garden*?** I think the lesson of the book was, that life is very difficult so don't push yourself too hard. Take your time, nurture your spirit, take time out, if it's really too much, go into hiding until you are ready to cope with life again. Find your own secret garden, where you can be at peace and heal your soul.

**Why are the children forbidden to enter the garden *The Secret Garden*?** In the novel *The Secret Garden*, the children are forbidden from entering the garden because it was closed and locked up by their uncle after his wife died in an accident there. **What is the story behind The Secret Garden?** In The Secret Garden, this might be: When Mary's parents die and she is sent to live with her uncle, she must discover the secrets of his estate and bring a garden back to life in order to gain her own happiness and save the life of her cousin.
